In most cases, Toyota recommends that Toyota owners schedule a service appointment every six months or 5000 miles, whichever comes first. The maintenance performed during each service appointment varies by vehicle model and year, driving conditions and other factors that our trained technicians evaluate. However, recommended maintenance often includes services such as tire rotation, oil change ...

Well into its fourth decade of production, the compact Toyota Corolla is the best-selling nameplate in automotive history. And with good reason: This is the quintessential economy car. It's small, inexpensive, fuel-efficient and reliable. Put gas in it, give it the occasional oil change and it will provide dependable transportation well past the 100,000-mile mark. That's why it's typical for ...
