A Grand Delusion is a political history, and the author blames U.S. intervention on essentially political causes: the fear of presidents from Harry S. Truman to Richard M. Nixon (John F. Kennedy not excepted!) of the domestic political consequences of losing Asian real estate to communism. This is a story, he concludes, “ of well-meaning, but misguided American leaders whose virulent anti-communism led the nation into its tragic misadventure in Vietnam. ”

A Grand Delusion: America's Descent into Vietnam: Mann ...

A Grand Delusion is a great book about the conflict between the Senate and mostly President Johnson over the expansion and waging of the Vietnam War. The Senate is the co-equal branch of government in making foreign policy and Mann, who worked in the Senate, obviously had access to all the original documents.
