Type of internal accounting information. The structure and sequence of topics in the book were carefully planned to serve as a basis for developing managerial accounting procedures, quantitative analysis techniques, and reporting concepts.

Hospitality Management Accounting, 8th Edition
Accounting Information Systems (AIS) is a discipline that informs theory and practice in accounting and auditing, in a way that draws upon information systems, broadly defined. In so doing, AIS employs theory and practice from the cognate disciplines of MIS and computer science as well as from accounting, auditing, other business disciplines including management and marketing, and the ...
