Read Online Acts Chapter 9 Study Guides

The book of Acts opens with the dramatic story of tongues of flame descending upon believers at Pentecost and the prophecy of an egalitarian dispensation of the Spirit being fulfilled. Yet, as the narrative unfolds, we become aware of a tension between the socially egalitarian promise of the Pentecost story and the author's underlying concern to provide reassurance for his elite patron Theophilus that Jesus followers do not disturb the existing social order. In this guide, Acts is read as a struggle to tame the tongues of fire. Acts mutes the egalitarian promise of the Spirit through presenting an 'orderly account' (as its author calls it) of the Jesus movement that appeals to elite sensibilities. And, at the same time, the narrative contains contradictions, gaps and fissures that suggest the outlines of a more complex, and even subversive, religious movement.

In the title article of this collection, Dan Rogers explored the biblical evidence for people of color mentioned in the Bible. In additional articles, other writers discuss Black History Month, Reconciliation issues, and related topics.

The Infinite Atonement / The Acts of the Apostles. This volume is the second of three on the New Testament. It discusses the final year of the Savior's ministry, His prophecies of the Last Days and the 2nd Coming, the Last Supper, His atonement in Gethsemane, His torture, crucifixion and death on Calvary, followed by His mission to the spirit world, His resurrection, His 40-day ministry among the Apostles, and His ascension into heaven. We follow the early ministry of the Apostles as they lead the Church during a period of rapid growth. From the day of Pentecost to the calling of Saul, we see the Gospel taken to all the world, including the Gentiles as well as the Jews. The cover features the classic
