An updated new edition of the essential resource for professionals and seasoned home bakers Hailed as a

"revelation" when it first appeared in 2004, Jeffrey Hamelman's Bread is a legendary resource praised by baking luminaries from around the world. Explaining complex techniques with simple and helpful illustrations, the book includes recipes for a vast array of breads, including sourdoughs, brioche, authentic rye breads, flat breads, French breads, and much more. Features nearly 150 detailed, step-by-step recipes, along with vivid drawings and photographs showing techniques and finished products Written by Jeffrey Hamelman, one of fewer than 200 Certified Master Bakers in the United States and a recipient of the Golden Baguette Award (2005), the highest honor bestowed by the Bread Baker's Guild of America Fully updated to include the latest techniques, methods, trends, and bread varieties Whether you're an aspiring or practicing professional baker or a dedicated home hobbyist, Bread is the ultimate resource for almost any variety of bread you can imagine.

This is the first true entry-level bread-baking cookbook, from Josey Baker (that's his real name!), a former science teacher turned San Francisco baking sensation. Josey Baker Bread combines step-by-step lessons with more than 100 photographs, offering easy-to-follow guidance for aspiring bakers. Recipes start with the basic formula for making bread— requiring little more than flour, water, time, and a pan—and build in depth and detail as the user progresses to more complex loaves, including Josey's cult favorite Dark Mountain Rye. With chapters dedicated to pizza, pocketbreads, and treats, Josey's playful, encouraging tone makes for a fun read full of great advice for bakers of all levels.

In this James Beard Award-winning cookbook, George Greenstein reveals 125 recipes for the yeasted and quick breads that have been handed down through his family by three generations of bakers—the breads that made his bakery so well-loved for so many years. For more than twenty years, Greenstein owned and operated a Long Island bakery that produced a wide variety of baked goods, from many different ethnic traditions—focaccia and Irish soda bread, Bavarian pumpernickel and naan—including many from his own culture, such as Jewish corn bread, challah, and bagels. Now that most neighborhood bakeries like Greenstein's are long since closed, this classic collection not only teaches bakers everywhere how to make those delicious, classic breads, but it also preserves authentic versions of the recipes for all to enjoy. With the same helpful features that made this a cherished cookbook upon its original publication—separate instructions for mixing each recipe by hand, food processor, and stand mixer; tips for baking a week's worth of bread in as few as two hours; invaluable baker's secrets; and a very approachable style throughout—this revised edition also includes twelve new recipes to satisfy both old fans and new. So bring the spirit of that great old bakery back to life right in your very own kitchen, filling every room of your house with the wonderful aroma of freshly baked bread. And rest assured you'll bake with ease and success every time, thanks to George and his long-learned, very happily shared SECRETS OF A JEWISH BAKER.

A thirtieth anniversary edition of the classic baking guide provides updated advice on baking, storing, and freezing a wide assortment of breads, in a volume that also includes chapters on croissants, flatbreads, brioches, and crackers. Reprint. 35,000 first printing.

"I bake because it connects my soul to my hands, and my heart to my mouth."—Martin Philip A brilliant, moving meditation on craft and love, and an intimate portrait of baking and our communion with food—complete with seventy-five original recipes and illustrated with dozens of photographs and original hand-drawn illustrations—from the head bread baker of King Arthur Flour. Yearning for creative connection, Martin Philip traded his finance career in New York City for an entry-level baker position at King Arthur Flour in rural Vermont. A true Renaissance man, the opera singer, banjo player, and passionate amateur baker worked his way up, eventually becoming head bread baker. But Philip is not just a talented craftsman; he is a bread shaman. Being a baker isn't just mastering the chemistry of flour, salt, water, and yeast; it is being an alchemist—perfecting the transformation of simple ingredients into an elegant expression of the soul. Breaking Bread is an intimate tour of Philip's kitchen, mind, and heart. Through seventy-five original recipes and life stories told with incandescent prose, he shares not only the secrets to creating loaves of unparalleled beauty and flavor but the secrets to a good life. From the butter biscuits, pecan pie, and whiskey bread pudding of his childhood in the Ozarks to French baguettes and focaccias, bagels and muffins, cinnamon buns and ginger scones, Breaking Bread is a guide to wholeheartedly embracing the staff of life. Philip gently guides novice bakers and offers recipes and techniques for the most advanced levels. He also includes a substantial technical section covering the bread-making process, tools, and ingredients. As he illuminates an artisan's odyssey and a life lived passionately, he reveals how the act of baking offers spiritual connection to our pasts, our families, our culture and communities, and, ultimately, ourselves. Exquisite, sensuous, and delectable, Breaking Bread inspires us to take risks, make bolder choices, live more fully, and bake bread and break it with those we love.

This is the first true entry-level bread-baking cookbook, from Josey Baker (that's his real name!), a former science teacher turned San Francisco baking sensation. Josey Baker Bread combines step-by-step lessons with more than 100 photographs, offering easy-to-follow guidance for aspiring bakers. Recipes start with the basic formula for making bread— requiring little more than flour, water, time, and a pan—and build in depth and detail as the user progresses to more complex loaves, including Josey's cult favorite Dark Mountain Rye. With chapters dedicated to pizza, pocketbreads, and treats, Josey's playful, encouraging tone makes for a fun read full of great advice for bakers of all levels.

"A must-have for all serious bread bakers; an instant classic."—Peter Reinhart, author of Bread Revolution True rye bread—the kind that stands at the center of northern and eastern European food culture—is something very special. With over 70 classic recipes, The Rye Baker introduces bakers to the

rich world of rye bread from both the old world and the new. Award-winning author Stanley Ginsberg presents recipes spanning from the immigrant breads of America to rustic French pains de seigle, the earthy ryes of Alpine Austria and upper Italy, the crackly knäckebröds of Scandinavia, and the diverse breads of Germany, the Baltic countries, Poland, and Russia. Readers will discover dark, sour classic Russian Borodinsky; orange and molasses-infused Swedish Gotländ Rye; nearly black Westphalian Pumpernickel, which gets its musky sweetness from a 24-hour bake; traditional Old Milwaukee Rye; and bright, caraway-infused Austrian Country Boule Rounding out this treasury are reader-friendly chapters on rye's history, unique chemistry, and centuries-old baking methods. Advanced bakers will relish Stanley's methods, ingredients, and carefully sourced recipes, while beginning bakers will delight in his clear descriptions of baking fundamentals. The Rye Baker is the definitive resource for home bakers and professionals alike.

Discover over 75 traditional bread recipes from around the world.
