Critical Path Analysis - FE Exam Review

Civil Engineering Fe Exam Study

The Fundamentals of Engineering (FE) exam is generally your first step in the process to becoming a professional licensed engineer (P.E.). It is designed for recent graduates and students who are close to finishing an undergraduate engineering degree from an EAC/ABET-accredited program. The FE exam is a computer-based exam administered year-round at NCEES-approved Pearson VUE test centers.

NCEES FE exam information
Commit To Study 4 to 6
Months. Studying for the FE
exam is like a part-time
job. If you have been out of
school for over 5 years, you
should start studying 6
months in advance, but if
you are currently in school
or you've recently
graduated, then you may only
need to put in 4 months to
get a passing grade. Each
week, plan on committing at
least 10 to 15 hours on
studying for the FE exam.
That's about 1 $\frac{1}{2}$ to 2 hours
each day.
