As the first book to explore the confluence of three emerging yet critical fields of study, this work sets an exacting standard. The editors' aim was to produce the most authoritative guide for ecojustice, place-based education, and indigenous knowledge in education. Aimed at a wide audience that includes, but is not restricted to, science educators and policymakers, Cultural Studies and Environmentalism starts from the premise that schooling is a small part of the larger educational ...

Cultural studies and environmentalism : the confluence of ...

The environment is perhaps most misunderstood as a static place, somewhere "out there," separated from the practices of our everyday lives. Given this assumption, environmental movements and concerns have remained mostly marginalized or denigrated in cultural studies publications, conferences, and presentations.

Cultural Studies and Environment, Revisited: Amazon.co.uk ...

Cultural environmentalism is the movement that seeks to protect the public domain. The term was coined by James Boyle, professor at Duke University and contributor to the Financial Times. The term stems from Boyle's argument that those who seek to protect the public domain are working towards a similar ends as environmentalists.

Cultural environmentalism - Wikipedia

In this thoughtful and highly readable book, Noel Sturgeon illustrates the myriad and insidious ways in which American popular culture depicts social inequities as "natural" and how our images of "nature" interfere with creating solutions to environmental problems that are just and fair for all.
