Daddy Duty was a brief break from the apocalyptic mayhem of the Nate Temple Supernatural Thriller Series. Of course, Shayne Silvers has injected humor, mischief, calamity and introduced new characters to the Templeverse. Cultural references aimed at the target sci-fi readers born around the early 1970's were hysterical. I am enjoying this series.

The Nate Temple Series. My name is Nate Temple, and I'm secretly a wizard. I ride a foul-mouthed unicorn, I drink with Achilles, and I'm pals with the Four Horsemen. I've even cow-tipped the Minotaur. I understand the theory of following the rules...I'm just not very good at the application. Because rules were meant to be broken.

When love is in the air, there is nothing a teenager wouldn't do. And there is nothing a dad wouldn't do to keep them safe. Even if it involves a Johnson Beaver concert, a magical djinn, and a herd of centaurs. This wild, fast-paced novella is a nice breather after the events of Tiny Gods, and brings back a whole lot of pain and humor to Nate Temple. If he can reason with the estrogen-filled shifter dragons before they burn Kansas City to the ground....

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

Drawing on her thirty years' experience practicing pediatric and adolescent medicine, teen health expert Dr. Meg Meeker explains why an active father figure is maybe the single most important factor in a young woman's development. In this invaluable guide, Meeker shows how a father can be both counsel and protector for his daughter as she grows into a spiritually and mentally strong young woman. From cradling his newborn to walking her down the aisle, a father must relish his paramount responsibility—guiding the course of his daughter's life. Meeker reveals • how a man can become a "strong father" • how a father's guidance influences every part of a woman's life, from her self-respect to her perspective on drugs, alcohol, and sex • how to lay down ground rules that are respected without creating distance in your relationship with your daughter • why you need to be your daughter's hero • the mistakes most fathers make and their

serious consequences • how to help daughters make their own good decisions and avoid disastrous mistakes • how a father's faith will influence his daughter's spiritual development • how to get through to you daughter, even during her toughest don't-talk-to-me years • true stories of daughters who were on the wrong path—and how their fathers helped to bring them back Learn how to grow, strengthen, or rebuild your relationship with your daughter to better both your life and hers in the bestselling *Strong Fathers, Strong Daughters: 10 Secrets Every Father Should Know*.

The Six Healing Sounds that keep the vital organs in optimal condition • Presents vocalizations and accompanying postures that dissolve the tensions at the root of unhealthy chi flow and organ malfunction • Shows how to release excess heat trapped around the organs and redistribute it to cooler regions of the body to bring balance, health, and calmness to the entire system Thousands of years ago Taoist masters discovered that a healthy organ vibrates at a particular frequency. They found six sounds with the correct frequencies to keep each organ in optimal condition. To accompany these Six Healing Sounds, six postures were developed to activate the acupuncture meridians, or energy channels, of the corresponding organs. In *The Six Healing Sounds* Master Mantak Chia explains how the

pressures of modern life can cause excess heat to become trapped around the organs, causing energy blockages and sickness. He shows readers how the vibrations of the Six Healing Sounds and their accompanying postures redistribute this excess heat to the cooler regions of the body, thereby stimulating and balancing chi energy and restoring the vital organs. Regular practice of the Six Healing Sounds promotes optimal health for the organs, increased sexual pleasure, emotional balance, and the prevention of illness.

The White Rose marches for war. The angels will weep, the devils will cry, and mankind may die. Callie Penrose wields the Spear of Destiny and wears Envy's Halo—the corrupting power of darkness balanced by the legendary blade of light. Both fight for dominance of the White Rose, but which force will win? Her best friend, Claire, has been abducted or killed, and her only surviving family has been ritualistically murdered to hide the truth of the Divines and the Sev'n Most Sinist'r. Heaven has deemed her a criminal and Hell begs her to be their queen or die. The Vatican is preparing to march on the City of Fountains to defend mankind against the horrors of the White Rose, the new Master Dracula, once and for all. The answers to her past—and mankind's future—are hidden deep within Solomon's Temple, locked away for very good reason. Callie will have to face some dark, painful

truths to bring harmony to a world gone mad. To discover why Heaven and Hell are so eager to bring her under their control. But the Horsewoman of Despair is not alone. The Horseman of Justice and Absolution ride to Kansas City to lay waste to her foes. Three of the Dread Four will march against the forces of Heaven, Hell, and the Vatican. And Kansas City is not the only battleground. The Garden of Eden is in grave peril, and no one knows if Callie is the danger or if she's the savior. After all, how good can Master Dracula be? The Halo Breaker rides a path as thin as the edge of a sword, and even she doesn't know what is right or wrong. But that's what family is about. Getting into—and out of—trouble. Let's just hope the city can survive. Let us pray that the Garden of Eden will thrive. The flip of a coin will decide the fate of the world.

A former nanny offers insight into the unrealized crucial roles nannies provide for their employers, drawing on interviews with nannies throughout the country while focusing on the experiences of three women from very different walks of life whose personal goals became irrevocably intertwined with those of the families they aided. In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

It seems every supernatural family in town is sick and tired of Nate and wants to put him in his place. The worst part is, all his friends seem to agree. With everyone else fighting to prevent war between the families, Nate takes two of his scariest friends on a walk down that famous path paved with good intentions-- to those eternal pits of despair-- so he can finally demand some real answers from his parents.

To become a godkiller you have to awaken the monster inside you Almost a year has passed since Nate's ex-fiancée woke up a Greek god intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told, But to kill a God, he must first become a monster.
