Guidelines of Interior, when altering their properties. Though, according to the National Historic Preservation Act of 1966, all states must have a State Historic Preservation Office, not all states must have a "state historic district" designation.

Provides guidance to cultural landscape owners, stewards and managers, landscape architects, preservation planners, architects, engineers, contractors, and project reviewers prior to and during the planning and implementation of treatment projects. A cultural landscape is a geographic area associated with a historic event, activity, or person or exhibiting other cultural or aesthetic values.
