You must pass two exams to earn the Microsoft Certified Solutions Associate (MCSA) certification. The first, Configuring Windows 8.1 (70-687), deals mainly with how to install and configure the operating system. The second, Supporting Windows 8.1 (70-688), deals mainly with how to support those installations and configurations for the long term.

I passed the first Microsoft certification exam required to earn the Windows 8.1 MCSA certification. Despite the problems I had with the book, the next in the series was one of the few resources available to self-prep for the 70-688 Supporting Windows 8.1 exam. After reading the book and from my own experience with the operating system, I passed exam 70-688 and have now earned my Windows 8.1 MCSA.
