Algebra is tough. We think all kids say that so we came up with a workbook

Read Book Financial Algebra Workbook Teacher

that targets learners from Grades 6-8.

The purpose of this workbook is to challenge a student's understanding of algebra by using age-appropriate examples. Encourage your child to use this book as a reviewer or as an introduction to the subject. So what are you waiting for? Secure a copy today!

"The text is suitable for a typical introductory algebra course, and was developed to be used flexibly. While the breadth of topics may go beyond what an instructor would cover, the modular approach and the richness of content ensures that the book meets the needs of a variety of programs."--Page 1.
