Guyana: Fragile Frontier

At the centre of Guyana's ecological crisis stands the country's indigenous population, historically marginalized and now threatened by the invasion of loggers, miners and ranchers. Their claims to land titles have long been ignored, and the present government strategy is worsening their chances of survival.

Guyana, Fragile Frontier: Loggers, Miners and Forest ...

The extracts that follow are taken from Guyana: fragile frontier: miners, loggers and forest peoples, by Marcus Colchester, forthcoming from Latin America Bureau. Approached from the sea, the coast of Guyana is not obviously welcoming. Muddy beaches extend along the forested coast where powerful silty rivers debouch through slack tidal mudflats.
