Harley Davidson Monopoly Limited Edition
Combining legendary Monopoly game graphics with illustrations that celebrate the history of Harley-Davidson® motorcycles, the handsome hardwood-framed playing board is accentuated with corners that are enhanced with silver-toned die-cast bolsters. To house all your components, a custom-designed banker's drawer is fitted into the playing board.

Harley-Davidson Monopoly: Collector's Edition | Board Game ...
\* In this edition of Monopoly you get to cruise the game board on a vintage 1903 Harley, or a Softail® Deuce™ - there are 8 pewter game tokens customized just for Harley fans! On your ride, acquire all the Harley-related properties that you can. Once you've got 'em, buy garages to house them, or even whole dealerships where you'll show them off.

Dear flappable reader: Do you bristle at a handshake that resembles a limp fish? Do oblivious pedestrians bring you to the brink? What about museum gift shops, superfluous courtesy (do we need a gas pump to show us gratitude?), behemoth SUVs, or inexplicable operating manuals? Have you had it with screeching leaf blowers, beseeching telemarketers, escalating movie-ticket prices, or proliferating celebrity magazines? Is it children's choirs or karaoke singers, waiters bearing pepper grinders or dinner guests blathering on about salt, that drives you to distraction? For anyone who has recognized that this peaceful kingdom of ours has more than a few potholes, 101 Damnations is the perfect companion. It's your ticket to the nine circles of personal hell. Armed with wit, bewilderment, and words to the wise ass, today's leading humorists conduct a brief tour of the trivial and often universal exasperations we all must endure. Among the damning, Henry Alford reveals our wanton desire to affect Britishisms. Sandra Tsing Loh has it in for people who forward "funny" e-mails. Once and for all, Merrill Markoe sets forth cell phone etiquette. And there are many, many others. Ninety-eight to be exact. Make yourself comfortable. Misery loves company.

American Motorcyclist magazine, the official journal of the American Motorcyclist Associaton, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

Keep the information you need on playthings and pop culture at your fingertips! The Dictionary of Toys and Games in American Popular Culture is an A-to-Z reference guide to the playthings that amused us as children and fascinate us as adults. This enlightening—and entertaining—resource, complete with cross-references, provides easy access to concise but detailed descriptions that place toys and board games in their social and cultural contexts. From action figures to yo-yos, the book is your tour guide through the museum of sought-after collectibles and forgotten treasures that mirror the fads and fashions that helped define pop culture in the United States. The Dictionary of Toys and Games in American Popular Culture is a historical, yet current, reflection of society 's ever-changing attitudes toward childhood and its cultural touchstones. The book is filled with physical descriptions of each entry, including size, color, and material composition, and the age group most often associated with the item. It also includes biographical sketches of inventors, manufacturers, and distributors—a virtual "Who 's Who " of the American toy industry, including Milton Bradley, Walt Disney, and Jim Henson. With a brief glimpse through its pages or a lengthy look from cover to cover, you 'll discover (or re-discover) real hero action figures, toys with commercial tie-ins, fast-food promotional giveaways, penny prize package toys, and advertising icons and characters in addition to beloved toys and board games like Etch-a-Sketch®, Lincoln Logs®, Colorforms®, Yahtzee®, and Burp Gun, the first toy advertised on nationwide television. The Dictionary of Toys and Games in American Popular Culture presents easy-to-access and easy-to-read descriptions of such toys as Barbie®, bendies, and Beanie Babies® Monopoly®, Mr. Machine®, and Mr. Potato Head® Pez®, Plah-Doh®, and Pound Puppies® Scrabble®, Silly Putty®, and Slinky® Tiddly Winks®, Tinker Toys®, and Twister™ and looks at the people behind the scenes of the biggest names in toys, including LEGO® (Ole Kirk Christiansen) Fisher-Price® (Homer G. Fisher) Mattel® (Ruth and Elliott Handler) Hasbro™ (Alan, Merrill, and Stephen Hassenfeld) Toys R Us® (Charles Lazarus) Parker Brothers® (Edward and George Parker) F.A.O. Schwartz (Frederick Schwartz) Kenner® (Albert Steiner) Tonka® (Russell L. Wankstern) The Dictionary of Toys and Games in American Popular Culture also includes an index and a selected bibliography to meet your casual or professional research needs. Faster (and more entertaining) than searching through a vast assortment of Web sites for information, the book is a vital resource for librarians, toy collectors and appraisers, popular culture enthusiasts, and anyone with an interest in toys—past and present.

This guide presents hard-to-locate information about the top private companies in the US. This edition includes basic profiles of the largest 500 non-public enterprises in the US; in-depth profiles of 250 top private companies in the US; and indexes by location, industry and people, and products. Each of the basic profiles contains a brief overview of the company operations, lists of products, key competitors, the latest sales and employment figures, executives' names, headquarters addresses, and phone and fax numbers.

Hoover's Handbook of Private Companies covers 714 nonpublic U.S. enterprises with revenues in excess of \$600 million, including large industrial & service corporations like UPS & Goldman Sachs; hospitals & health care organizations such as Blue Cross; charitable & membership organizations including the Ford Foundation; mutual & cooperative organizations such as IGA; joint ventures such as Caltex; government-owned corporations such as the United States Postal Service; & major university systems, including The University of Texas System. This book features 210 in-depth Hoover's profiles (similar to those shown on pages 2-3) plus 504 shorter entries (as illustrated below). Company logos are shown for many of the profiled companies. Hoover's Handbook of Private Companies also includes lists of companies ranked by sales & by number of employees, plus Inc.'s list of fastest-growing private companies. It is indexed by headquarters location & industry, & by the people, companies & brand names mentioned in the profiles.
