As well as the example questions below, you can find further help in our University Interviews Guide.

Nursing University Interview Questions | Studential.com

Your answer can also touch upon the reasons why you want to work at the facility where you're interviewing and why you're the best choice for the job. You could start your answer with this sample opening statement (see below), or wrap up your response with why you feel you're a great fit.

Responding to 'Tell Me About Yourself' in Nursing Interviews

In your nursing courses, take the time to practice these techniques: looking for keywords, duplicate words, eliminating answers. Always ask your professor for a chance to review your exam and see what you missed. When possible, do a group exam review to hear rationales for the correct and incorrect answers.
