Any must-win battle, the authors write, needs five elements: It must make a real difference, be market-focused, create excitement, be specific and tangible, and—of course—be winnable. “ One reason the management teams sometimes do choose must-win battles that prove to be unwinnable is that they assume the competition will not react to what they are doing, ” they caution.

Must-win battle is a phrase that creates energy. The word battle suggests that there are competitors to be fought and defeated, and must-win implies the battles are urgent and important. So it is not surprising that senior managers who are unhappy with the current performance of their business find the idea of MWBs intuitively appealing, and it is not difficult to convince them that they ought to take their top teams away for a week to identify their MWBs and figure out how to win them.

I Must Win This Battle offers a hands-on training self-deliverance process and prayers. It covers over 2000 prayer points focusing on how to remove unpleasant and unwanted situations of life. Battle of life is a must win for every child of God and this book shows how to, in a very simple and effective way. It is a must have for every household. Deliverance means to loose the bounds of wickedness . A lot of people are under the bondage of wickedness. If you look at the lives of many people, you will discover a wide array of wicked occurrences. If your life is surrounded by wicked mysterious happenings, you need to go for deliverance as fast as you can. Deliverance is setting the captives free from the oppressive power of Satan. It ' s the spiritual cleansing of an individual that makes that person free from the strong-holds of the enemy.

Must-Win Battles shows leaders exactly how to identify the 3 to 5 critical challenges most likely to make or break their businesses -- and then mobilize people and resources to successfully execute on them. This book draws on the authors' exceptional experience as world-class consultants and leading-edge business researchers, and builds on the highly successful executive program they created for IMD, one of the world's best business schools. The authors show leaders how to cut through uncoordinated initiatives, create a short list of true "must-wins," focus relentlessly on them, and infuse their organizations with renewed energy and effectiveness. Along the way, discover how to recognize which victories will make the greatest difference, avoid unwinnable battles, drive consensus when somebody's ox is inevitably being gored, make sure must-win battles are specific and measurable, and change the behavior of your top management team to lock in this laser-sharp focus for future battles.

The story of David ' s " mighty men " (primarily found in 2 Samuel 23) drives this challenging and encouraging book for Christian men. The mighty men weren ' t drafted into David ' s army because of their impressive resumes. They were broken men who, given an opportunity to achieve greatness, responded like champions. In Six Battles Every Man Must Win, popular author and speaker Bill Perkins uses the story to illustrate the six battles David ' s men fought, and men today must win, to become powerful and effective warriors in God's kingdom.

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment.

Why shouldn'tthe definition of family be broadened and modernized? What harm could be done by two consenting adults who love one another coming together to create a binding union? In this succinct analysis of the issue, Dr. James Dobson presents a compelling case against the legalization of " marriage " between homosexuals, and the dire ramifications our nation could face: Same-sex marriage will destroy the fundamental principles of marriage, parenthood, and gender. Families will be increasingly unstable as their definition expands to incorporate multiple " moms " or " dads. " Legalization of gay marriages will lead to polygamy and other alternatives to one-man/one-woman unions. The divorce rate will be even higher, making our children less safe. Marriage Under Fireprovides the foundations of a battle plan for the preservation of traditional values in our nation. Our response could not be clearer. The well-being of the family, and thus our nation, hangs in the balance. Now is the time to speak out in defense of marriage and the family.

Are your thoughts out of control--just like your life? Do you long to break free from the spiral of destructive thinking? Let God's truth become your battle plan to win the war in your mind! We've all tried to think our way out of bad habits and unhealthy thought patterns, only to find ourselves stuck with an out-of-control mind and off-track daily life. Pastor and New York Times bestselling author Craig Groeschel understands deeply this daily battle against self-doubt and negative thinking, and in this powerful new book he reveals the strategies he's discovered to change your mind and your life for the long-term.

Drawing upon Scripture and the latest findings of brain science, Groeschel lays out practical strategies that will free you from the grip of harmful, destructive thinking and enable you to live the life of joy and peace that God intends you to live. Winning the War in Your Mind will help you: Learn how your brain works and see how to rewire it Identify the lies your enemy wants you to believe Recognize and short-circuit your mental triggers for destructive thinking See how prayer and praise will transform your mind Develop practices that allow God's thoughts to become your thoughts God has something better for your life than your old ways of thinking. It's time to change your mind so God can change your life.

!-StartFragment-- In her most popular bestseller ever, the beloved author and minister Joyce Meyer shows readers how to change their lives by changing their minds. Joyce Meyer teaches how to deal with thousands of thoughts that people think every day and how to focus the mind the way God thinks. And she shares the trials, tragedies, and ultimate victories from her own marriage, family, and ministry that led her to wondrous, life-transforming truth--and reveals her thoughts and feelings every step of the way. Must-Win Battles shows in a step-by-step way, how to identify the key goals that need achieving and how to win emotional and intellectual buy-in from the employees who make it all happen. By focusing on the right key short-term efforts you attain the twin benefits of delivering in the here-and-now, and making progress toward larger strategic goals. Businesses around the world are struggling for growth and profitability in today's fast-changing world. Those that achieve standout success are characterized by clear vision, focused execution, and commitment by people to doing what counts. But for the 99% of businesses that lack many of these attributes, how do they go about getting them? Should they turn to another management fad? Probably not. Senior managers are now sceptical in the face of "initiative overload". Instead they are looking for inspiration among real-world companies and real leaders. Based on a successful executive programme at IMD, one of the world's foremost executive education institutions and has been tested at some of the world's best-known companies, with intimate and compelling case studies running throughout, Must Win-Battles offers the inspiration and advice that many are looking for. "Enlightening and thought provoking in an era of cluttered agendas. Must Win Battles sets a clear path for leaders to focus their team's head, heart, and hands. Michael D. White, Chairman and Chief Executive Officer, PepsiCo International New York " Moving a company to the next level requires confronting the right challenges, and Peter Killing, Thomas Malnight, and Tracey Keys show how to pick your battles and then how to win them. Their Must-Win Battles provides a practical playbook for unleashing and aligning the intellectual and emotional energies essential for any business triumph. " Michael Useem, Director-Center for Leadership and Change Management, The Wharton School and author of The Leadership Moment "In "Must Win Battles" Peter Killing and Thomas Malnight have distilled their richly varied experiences drawn from many organizations over many years. Together they have created a practical handbook for all managers who are interested in re-energizing and improving their business performance. Must Win Battles is easy to read and brimful with practical advise; well worth a few hours of your time". Iain Ferguson CBE , Chief Executive , Tate & Lyle PLC. Named European Businessman of the Year by Forbes Magazine, 2005 " Working with must-win battles has fundamentally changed our approach to where we seek growth in the market and the way we engage our people in realizing these goals. Must-win battles are the glue that ties the business together globally, that everyone understands and can contribute to. The process clarifies for everyone the long-term vision and business direction, where to allocate resources and why it is important to get aligned. " Diego Bevilacqua, President, Global Business: Foodsolutions, Unilever " Every executive knows that there are certain battles that must be won for the business to be successful. This great new book provides a real-world, step-by-step approach to choosing the right battles in a way that helps unleash the organizational will to achieve them. Must Win Battles is a wonderful contribution to the art and science of management! So much so that it ' s inspired me to launch my own MWB journey. " Bob Rieder, President & CEO Cardiome Pharma Corp.
