Novel for older children about the problems of a 13-year-old surfer, Lockie Leonard, who befriends a heavy metal fan, falls in love with an 11-year-old girl and tries to save his town from industrial pollution. As well as his award-winning adult novels, Tim Winton has written several novels for adolescents, including 'Lockie Leonard, Human Torpedo' (1990), which introduced the novel's protagonist.

Lockie Leonard, hot surf-rat, is in love. The human torpedo is barely settled into his new school, and already he's got a girl on his mind. And not just any girl: it has to be Vicki Streeton, the smartest, prettiest, richest girl in class. But what chance have you got when your dad's a cop, your mum's a frighteningly understanding parent, your brother wets the bed and the teachers take an instant dislike to you and then you fall in love at twelve-and-three-quarter years old? It can only mean trouble, worry, mega-embarrassment and some wild, wild times.

Lockie Leonard, a thirteen-year-old Australian surfer, moves to a new town and befriends Egg, a long-haired Metal Head, while trying to save the local harbor from being buried in industrial waste.

Lockie's survived his first year of high school, settling into a new town and his first mad love affair - it's all behind him; he made it! But the world of weirdness hasn't finished with him yet. His little brother's hormones have kicked in, his baby sister refuses to walk or talk - but eats anything in sight - his Dad arrests a sheep and his Mum seems to have checked out of the here and now. As Lockie's world turns upside down, he learns that life is never as simple as it seems and along the way finds out a lot more about himself than he ever realised was there.

A flying pig's job is never done... With a runaway lion loose in the neighborhood, Derrick, Samantha, and Michael feel scared. Nanny Piggins feels like a slice of cake. And Boris feels like that lion looks strangely familiar... But if there was ever a pig who could tame both lion and lion tamer, it's Nanny Piggins! She also revolutionizes the sport of ski jumping, introduces hot-pink leotards to the local Neighborhood Watch, and demonstrates trapeze skills on a moving bus -- all while thwarting Mr. Green's attempt to send the children to Nicaragua. R. A. Spratt's third book in the delightfully madcap Nanny Piggins series is filled with more high-flying adventures, more outrageous characters, and more chocolate cake than ever before!

My lady, Fiammetta Bianchini, was plucking her eyebrows and biting color into her lips when the unthinkable happened and the Holy Roman Emperor ' s army blew a hole in the wall of God ' s eternal city, letting in a flood of half-starved, half-crazed troops bent on pillage and punishment. Thus begins *In the Company of the Courtesan*, Sarah Dunant ' s epic novel of life in Renaissance Italy. Escaping the sack of Rome in 1527, with their stomachs churning on the jewels they have swallowed, the courtesan Fiammetta and her dwarf companion, Bucino, head for Venice, the shimmering city born out of water to become a miracle of east-west trade: rich and rancid, pious and profitable, beautiful and squalid. With a mix of courage and cunning they infiltrate Venetian society. Together they make the perfect partnership: the sharp-tongued, sharp-witted dwarf, and his vibrant mistress, trained from birth to charm, entertain, and satisfy men who have the money to support her. Yet as their fortunes rise, this perfect partnership comes under threat, from the searing passion of a lover who wants more than his allotted nights to the attentions of an admiring Turk in search of human novelties for his sultan ' s court. But Fiammetta and Bucino ' s greatest challenge comes from a young crippled woman, a blind

healer who insinuates herself into their lives and hearts with devastating consequences for them all. A story of desire and deception, sin and religion, loyalty and friendship, In the Company of the Courtesan paints a portrait of one of the world ' s greatest cities at its most potent moment in history: It is a picture that remains vivid long after the final page.

Three girls. Three boys. Two rival schools. This could get messy. The Ashbury-Brookfield pen pal program is designed to bring together the two rival schools in a spirit of harmony and "the Joy of the Envelope." But when Cassie, Lydia, and Emily send their first letters to Matthew, Charlie, and Sebastian, things don't go quite as planned. What starts out as a simple letter exchange soon leads to secret missions, false alarms, lock picking, mistaken identities, and an all-out war between the schools--not to mention some really excellent kissing.

questions to ask yourself. Most importantly this is about doing the work on you - do that, and you will grow, you will change, and you will succeed. When you change, so does the world around you. That is Lisa's promise. This book alone will NOT change your life, but YOU can, especially after reading this first.

Starting high school is never easy. Seniors take your lunch money. Girls you 've known forever are suddenly beautiful and unattainable. The guys you grew up with are drifting away. And you can never get enough sleep. Could there be a worse time for Scott 's mother to announce she 's pregnant? Scott decides high school would be a lot less overwhelming if it came with a survival manual, so he begins to write down tips for his new sibling. Scott 's chronicle of his first year of bullies, romance, honors classes, and brotherhood is both laugh-out-loud funny and touchingly wise.
