Celebrate the power of one young woman speaking up for change with Free as a Bird. This beautiful nonfiction picture book is perfect for sharing at home or in the classroom. When Malala Yousafzai was born, some people shook their heads because girls were considered bad luck. But her father looked into her eyes and knew she could do anything. In Pakistan, some believed girls should not be educated. But Malala and her father were not afraid. She secretly went to school and spoke up for education in her country. And even though an enemy tried to silence her powerful voice, she would not keep quiet. Malala traveled around the world to speak to girls and boys, to teachers, reporters, presidents, and queens—to anyone who would listen—and advocated for the right to education and equality of opportunity for every person. She would shout so that those without a voice could be heard. So everyone could be as free as a bird. A unique way to celebrate the power of a young woman, and to honor a father who strives to let his daughter shine.

In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, Mar í a escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere in the world except to the home she loved. In We Are Displaced, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, We Are Displaced is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. "A stirring and timely book." —New York Times

Pencil and his boy Jackson are a great pair: they draw, they sketch, they scribble. But then Jackson gets Tablet and Pencil finds himself dumped in the dreaded junk drawer; he just can ´ t compete with Tablet ´ s videos, games, and movies. How will Pencil ever reclaim Jackson ´ s attention? With the help of some new pun-loving junk-drawer friends (and a drooling, pencil-chomping dog), Pencil sketches out a plan to draw Jackson back into their friendship. A former educator whose first book was shortlisted for a Crystal Kite award, author Ann Ingalls uses kid-friendly puns and an upbeat tone in this story that celebrates friendship, collaboration, and unplugged fun. Buoyed by award-winning artist Dean Griffith ´ s always-exuberant illustrations, Pencil: A Story with a Point is a gentle reminder that technology is no match for imagination.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.
