Page 2 XP500 Tmax Technical Orientation Guide ENGINE SYSTEM Displacing 499 cc, the Tmax's highly-advanced fully automatic twin-cylinder DOHC liquid-cooled 4-stroke 8-valve engine is one of the most powerful designs available on scooters today. A key feature of its configuration is that unlike most traditional scooter engines which pivot as one unit with the rear suspension, this engine is fixed rigidly into the Tmax's strong tubular diamond-shape frame...

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.

This is an introductory book to radiological English on the basis that there are a lot of radiologists, radiology residents, radiology nurses, radiology students, and radiographers worldwide whose English level is indeterminate because their reading skills are much higher than their fluency. It is intended to help those health care professionals who need English for their work but do not speak English on a day-to-day basis.

Officially licensed from Columbia Pictures, this Haynes Manual, based on the classic Ghostbusters movie franchise focuses on Ecto-1, the teams trusty spectre-smashing vehicle, plus the equipment that Ecto-1 carries. Along with a detailed breakdown of Ecto-1s capabilities and detailed cutaway images that show the cars souped up engine and .....

A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a Manual for Spiritual Warfare. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle," provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to "fight the good fight of the faith" (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges.

The spearhead of a highly successful export drive, a winning production racer and the top 'street fighter' of its day, the Triumph Bonneville retains a special place in the hearts of motorcyclists worldwide. Motorcycle expert Steve Wilson offers personal recollections from those who have tuned, raced and restored Bonnevilles; details of the Bonnie's racing successes; buying and tuning tips; and technical specifications to deliver this detailed study of the machine and the men who helped make it a motorcycle icon.

"Siblings Bob and Tom get a dog with spots. This A-level story uses decodable text to raise confidence in early readers. The book uses a combination of sight words and short-vowel words in repetition to build recognition. Original illustrations help guide readers through the text."--

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink', Dave Broom explores flavour camps - how to understand a style of whisky - and moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining and no-nonsense guide, world-renowned expert Dave Broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

These photographs form part of a project to document the area between Manchester and Oldham, England in 1984-1986.
