Janie's life is already incredibly full when she runs into an agent one morning who sees great potential in her/and not just as an author. Janie, especially, is spread thin, trying to please everyone while keeping Josh from finding out the true nature of her relationship with her benefactors. She knows she has to tell him eventually, but fear holds her back. Will she lose him? Will she be forced to make an impossible choice? Or will she, perhaps, find that the capacity for the human heart to love is, indeed, endless?-----Warnings: This title contains erotic situations, graphic language, a ménage à trois (MFF/threesome), lesbian sex and a hookup turned romance that will cut your toes!-----IF YOU LIKED BAUMGARTNER GENERATIONS: JANIE, you may want to have more fun with this family!A Baumgartner ChristmasThe Baumgartners Plus OneBabysitting the BaumgartnersA Baumgartner ReunionMeet the BaumgartnersBaumgartner Generations: Henry Letters to the Baumgartners-----EXCERPT: "Would it be wrong to tell you how much I want to kiss you?" His eyes were silver in the moonlight, his breath full of sake."No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though." "You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer."Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that/this cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?" I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?"Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say."You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap.My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together. "Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..."He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

Henry's in trouble. He's gone from being a big fish in a little pond in his home town to being a very small fish in a much bigger pond at college, and he's just not keeping up. [Shh.] Her hand pressed against his thigh, squeezing. [Watch the movie.]He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans.When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if she noticed Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell over her, was too afraid she would stop, say no.He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He lit his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh.She was too sexy for words.His eyes searched for her hemline, but it was just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her. Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.

When Danielle Stuart meets the Baumgartners, her life doesn 't need to get any more complicated. Ronnie (or 'Perfection' as Mrs. B always insisted on calling her) is all grown up with a family of her own, and the Christmas she babysat for the Baumgartners is just a pinpoint in her memory. That is, until a persistent suggestion of a threesome by her husband, T.J., brings it all flooding back. When she reveals how the Baumgartners and the nanny, Gretchen, had seduced her during her time in Key West, her husband takes it upon himself to make some phone calls. Opportunity, or perhaps fate, presents itself, and Ronnie and her husband get an invitation to join Gretchen and the Baumgartners on their vacation. His hand massaged my scalp, his eyes tender but questioning. [We've been married for almost seven years. You can't tell me you've never been attracted to anyone else? I know you have!!] I blinked, trying not to think about the way Hector at work smiled and winked whenever I passed his classroom, how he often showed up in the tiny copy room the same time I did, brushing up against me from behind, his hand cupping the side of my hip, to get a ream of legal paper. So I felt a little twinge when he did, a warmth between my thighs, a tug in my belly. It didn't mean anything. It didn't mean!! Just because I'm attracted to someone doesn't mean I'm going to act on it.!!TJ's eyes searched mine, lazily rubbing the head of his cock back and forth against my lower lip. [But why not?][Because we made a commitment.!] I raked my teeth lightly across the spongy tip and he jumped.[Don't be so literal.!] He rolled me, pressing his weight onto me, opening my legs. I acquiesced with a sigh, loving the feel of his hardness rubbing up and down between my slit, but hating his words. [Our commitment is what we say it is!! His lips murmured against the pulse in my throat and I let my fingers brush the fine hairs at the back of his neck, soft as a baby. [I'm not talking about not loving you. I'm talking about sex.][His words were supposed to reassure me, but I felt my throat constrict.]So basically, you're saying I'm not enough for you.?[No, baby.!] He rocked, slow and easy/god, he knew how I loved that, opening me, a slow split, a gentle friction, up and up. [You're more than enough!][More reassuring words/but why didn't I feel reassured? His mouth covered mine, the kiss deep and searching, his tongue slowly drawing me in, drawing me out, teasing me as he rubbed his stiff heat between my thighs. It throbbd there, insistent, making me squirm.][God, you're so sweet!! His words were hot against my ear now, his teeth gently biting and tugging at the lobe. [I never want you to think you're not enough, you're so very much more than enough.][His cock found me with a shift of his hips, seeking entrance, and I gasped as he slid forward until he felt resistance, about halfway there. His breath caught and he gave a low moan that went through me like shiver, and still, he didn't stop talking, telling me! [There's no other woman like you. I want you and I want to share you, baby. I want the whole world to know how good you are, how sweet, how fucking hot.!] He pulled back and plunged forward, so deep I clutched his shoulders, digging my nails in. [TJ's eyes sought mine, dark and full of hunger. [How fucking mine you are.]

Their evening comes to an abrupt end when the mysterious Eric disappears into the night, and Annie realizes she doesn't know his last name! Dita sends Annie on a journey deep into the unknown, through an ever-twisting labyrinth of frustrating dead-ends and seemingly strange, pointless missions. Annie's life is turned upside down as she searches for the one man who can make her life feel complete.Told in the spirit of magical realism, this modern day adaptation of the Greek myth of Eros and Psyche takes Annie on each of Psyche's tasks in her quest for her lost love. Each task brings her closer to him and to realizations about herself. Will Annie find Eric and reveal to him the secret she's been keeping, even from her sisters?Warnings: This title contains erotic situations, graphic language, and sex **!** a fun, modern day magical-realistm retelling of the Psyche and Eros myth that will leave you mythified yet satisfied.EXCERPT:[Can we stop talking?] she whispered, leaning back and turning her face so her cheek rested against his. [I don't remember ever feeling this good.][Do you want to just see what happens?] he asked, his fingers trailing down her chin, her throat.[No. I want to be what happens.][His mouth found hers in the darkness, a slow journey from a mislaid kiss against her ear, a wet trail over her cheek leading to her open and anticipating lips. He kissed her like she was a secret he was keeping/something precious and tender and worth protecting. Annie hesitated, waiting for him to stop her as her hand curled back to touch his cheek, expecting to find thick scars or swaped flesh, but to her surprise, his skin was smooth and unmarred. She siftered her arm around his neck, slanting her mouth across his and teasing his lips with her tongue. His fingers fumbled with her buttons and she helped him, exposing her skin to the cool kitchen air. Kitchens were always so damned cold when there was no cooking going on. She suspected it was the tile, but regardless, her nipples responded immediately to the temperature change. The angle of the kiss was awkward, but she was afraid to move and break their connection. His hand drifted over the soft material of her bra, and she was glad she had worn something with a definite texture, silky and light.Annie believed she heard voices coming closer to the door and she pulled quickly away, listening intently. The conversation was muffled and unintelligible, but after a few moments, she clearly heard her sister say, [In the kitchen.!] She looked at Eric, trying to keep her breath from being fast and audible. [Maybe we should go somewhere?] she whispered, ducking her head and moving to her hands and knees to crawl out from under the table. He grabbed her hips and she gasped, looking back at him as he held fast.[No, we can stay here.!] he insisted, sliding his hands up her bare thighs.][Are you sure?][Live dangerously.!] His hands roamed over ass as he lifed her skirt. [What color are these panties?] He probed her crevice through the thin material and she giggled and sighed, arching her back.][Black.!] she whispered as he pushed her panties aside.
