To help her settle in her new home, Stevie's grandmother gives her a special gift: a beautiful doll's house in the shape of a large teacup. The cup sits in a saucer painted like a garden, and opens up to reveal several miniature rooms. The little house comes with an assortment of furniture and, best of all, a family of little toy rabbits, Gabriel and Bo Twitch and their children, Silver and Fig.

15 Jan. Here's a lovely book for an "emerging reader" who likes a good balance of words and pictures on their page. And a sprinkling of (possible) magic. Meet the Twitches is the debut in a proposed series with words by Hayley Scott, and pictures by Pippa Curnick. As expected with the wonderful Usborne books, this is a perfect paring with a lovely balance of plot, contemporary interest, humour and "sweetness" for a story in this age range.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when

sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished

his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie’s boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter

But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from
