Mindfulness meditation has been scientifically shown to get at the root of the problem of stress: our brain's over-active tendency to see potential disaster everywhere we look. 1 When we sit mindfully, we become aware of the constant sense of urgency and discontent in our mind. What's revolutionary about meditation is that instead of feeding this stress by doing more or speeding up, we do ...

Once you have a chance to listen to the new Sleep Story I wrote about my time on Ahe, The Black Pearls of Tahiti, then you might hear (if you're not already asleep) the scene where I describe going out on the lagoon in a silver, flat-bottomed jon boat. I wrote about the men who work on the farm and how they free-dive meters below the lagoon's surface to where the oysters are grown, kept ...
