5.0 out of 5 stars Mr Putter and Tabby Feed the Fish. Reviewed in the United States on May 2, 2010. Verified Purchase. I love the Mr. Putter books. My work is tutoring children in reading, and the kids love the stories too. They sometimes even giggle. Also I am just sure the artist has a cat - he makes the cat's expressions so real.

I used these as readers for my late 1st grader/early 2nd grader. I love how many series Cynthia Rylant has done on different reading levels, and Mr. Putter and Tabby were as fun as the others we have used. I have found that my children learn to read better when they love the characters, and they always love Cynthia Rylant's characters.
