The fate of Sudan, by then the largest country in Africa, was clearly decided when results of the referendum vote were announced in February 2011. Policy makers, scholars and the international community began to grapple with critical issues that might arise after the independence of South Sudan and how different stakeholders were likely to react during the period of uncertainty. Political developments in Sudan were long-term outcomes of post-cold war revolutions in the world

system after the Soviet Union collapsed. A domino effect of such events swept across Eastern Europe with some manifestations in the Horn of Africa. The fall of Mengistu Haile Mariam, marked the beginning of the redrawing of the map of Africa and posed a challenge to the long held principle of preservation of colonial borders that had been enshrined in the Charter of the Organisation of African Unity. The precedent set by the independence of Eritrea seemed to encourage southern Sudan to press forward for independence through a two pronged approach of armed struggle and diplomacy led by the

Sudan People's Liberation Army/Movement. This book attempts to understand national, regional and continental dimensions of the unresolved issues that could result in the escalation of conflict in the Sudan. It examines internal dynamics of the Sudan after secession of the south and how these dynamics might affect neighbouring countries in the geopolitical regions: the Horn of Africa, the Great Lakes Region and Central Africa. A section of the book is dedicated to dynamics within South Sudan as a new state. Post-conflict South Sudan as country was marked by extreme poverty, lack of infrastructure and

prevalence of inter-communal armed violence. This book proposes possible policies to prevent the country from descending into a state of economic and social chaos. The book provides the argument that equitable and rational transformative socio-economic programmes and policies could greatly reduce potentials for conflict. This book calls on policy makers to pursue policies that could lead to concrete projects planned to alleviate poverty and provision of basic social services such as education, health, and safe water. The book comes to the conclusion that political stability will
