minimizing technical jargon, John Newstrom carefully blends theory with practice so that basic theories come to life in a realistic context.

Organizational Behavior: Human Behavior at Work: Newstrom ...

In a nutshell, organizational behavior is the study of how human behavior affects an organization. Organizational behavior aims to learn how an organization operates through the behaviors of its members. Instead of taking a strictly numerical approach to determine an organization's operations, it takes a more psychological approach.

What is Organizational Behavior? |
