journalist and social political activist who became nationally recognized as a leader and a spokeswoman for the American feminist movement in the late 1960s and early 1970s.. Steinem was a columnist for New York magazine, and a co-founder of Ms. magazine. In 1969, Steinem published an article, "After Black ...

This phenomenally successful book, that has sold nearly a half a million copies since its original publication in 1983, is Gloria Steinem's most diverse and timeless collection of essays.

Steinem's most diverse and timeless collection of essays are found here, from the humorous expose I Was a Playboy Bunny to the moving tribute to her mother, Ruth's Song. The satirical and hilarious If Men Could Menstruate is alone worth the price of admission.

Essays from the New York Times—bestselling author who inspired the film *The Glorias*, a “ woman who has told the truth about her life and ours ” (Los Angeles Times). With cool humor and rich intellect, Gloria Steinem strips bare our social constructions of gender and race, explaining just how limiting these invented cultural identities can be. In the first of six sections, Steinem imagines how our understanding of human psychology would be different in a witty reversal: What if Freud had been a woman who inflicted biological inferiority on men (think “ womb envy ”)? In other essays, she presents positive examples of people who turn gendered stereotypes on their heads, from a female bodybuilder to Mahatma Gandhi, whose followers absorbed his wisdom that change starts at the bottom. And in some of the most moving pieces, Steinem reveals some of her own complicated history as a writer, woman, and citizen of the world. This ebook features an illustrated biography of Gloria Steinem including rare images from the author ’ s personal collection.

A beautifully illustrated collection of Gloria Steinem ’ s most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself “ A fearless book full of passion, resolute perspective, and unbiased hope for the future. ” —Janelle Monáe For decades—and especially now, in these times of crisis—people around the world have found guidance, humor, and unity in Gloria Steinem ’ s gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem ’ s words have helped generations to empower themselves and work together. Covering topics from relationships (“ Many are looking for the right person. Too few are trying to be the right person. ”) to the patriarchy (“ Men are liked better when they win. Women are liked better when they lose. This is how the patriarchy is enforced every day. ”) and activism (“ Revolutions, like trees, grow from the bottom up. ”), this is the definitive collection of Steinem ’ s words on what matters most. Steinem sees quotes as “ the poetry of everyday life, ” so she also has included a few favorites from friends, including bell hooks, Flo Kennedy, and Michelle Obama, in this book that will make you want to laugh, march, and create some quotes of your own. In fact, at the end of the book, there ’ s a special space for readers to add their own quotes and others they ’ ve found inspiring. *The Truth Will Set You Free, But First It Will Piss You Off!* is both timeless and timely. It is a gift of hope from Steinem to readers, and a book to share with friends.

Rosie Boycott wasn't a typical 1960's Cheltenham Ladies College girl. By the age of 21 she had co-founded the feminist magazine *Spare Rib* and the feminist publishing house *Virago*, whilst experimenting with drugs, sex and booze. But she wanted more: more experience,

File Type PDF Outrageous Acts And Everyday Rebellions Gloria Steinem

more travel, more passion. An epic motorcycle trip through Asia with her boyfriend John Steinbeck Jr. ended in a Thai jail. But drugs weren't her real problem. Alcohol was. Drinking seemed to defeat the demons in her psyche - until it became clear that drinking was her biggest demon of all. How had a nice country girl turned into a drunk? Now a well-known journalist, ex-newspaper editor and chairman of the London Food Board, Rosie made it from the top to the bottom and back again. In this account of her life, she never shirks from the truth about herself - and in her honesty she gives hope to other women with addictions, addressing the hellish predicament of the alcoholic woman with passion and candour.

Reflections on women ' s aging from the New York Times—bestselling author who inspired the film *The Glorias*. One day I woke up and there was a seventy-year-old woman in my bed . . . Gloria Steinem has been an eloquent and outspoken voice for women ' s rights and equality for more than four decades. In *Doing Sixty & Seventy* she addresses an essential concern of people everywhere—and especially of women: the issue of aging. Whereas turning fifty, in her experience, is “ leaving a much-loved and familiar country, ” turning sixty means “ arriving at the border of a new one. ” With insight, intelligence, wit, and heartfelt honesty, she explores the landscapes of this new country and celebrates what she has called “ the greatest adventure of our lives. ” While appreciating everybody ' s experiences as different, Steinem sees these years as charged with possibilities. Dealing with stereotypes and the “ invisibility ” that often accompany a woman ' s senior years can be as liberating as it is frustrating. It frees women as well as men to embrace that “ full, glorious, alive-in-the-moment, don ' t-give-a-damn yet caring-for-everything sense of the right now. ” This ebook features an illustrated biography of Gloria Steinem including rare images and never-before-seen documents from the author ' s personal collection.

Newly updated: The bestseller “ that could bring the human race a little closer to rescuing itself ” from the subject of the film *The Two Glorias* (Naomi Wolf). Without self-esteem, the only change is an exchange of masters; with it, there is no need for masters. When trying to find books to give to “ the countless brave and smart women I met who didn ' t think of themselves as either brave or smart, ” Steinem realized that books either supposed that external political change would cure everything or that internal change would. None linked internal and external change together in a seamless circle of cause and effect, effect and cause. She undertook to write such a book, and ended up transforming her life, as well as the lives of others. The result of her reflections is this truly transformative book: part personal collection of stories from her own life and the lives of many others, part revolutionary guide to finding community and inspiration. Steinem finds role models in a very young and uncertain Gandhi as well as unlikely heroes from the streets to history. *Revolution from Within* addresses the core issues of self-authority and unjust external authority, and argues that the first is necessary to transform the second. This ebook features an illustrated biography of Gloria Steinem including rare images from the author ' s personal collection, as well as a new preface and list of book recommendations from Steinem.

From one of America's most respected critics comes an acclaimed biography of the controversial feminist. Here, Heilbrun illuminates the life and explores the many facets of Steinem's complex life, from her difficult childhood to the awakening that changed her into the most famous feminist in the world. Intimate and insightful, here is a biography that is as provocative as the woman who inspired it. Photos.

NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a

File Type PDF Outrageous Acts And Everyday Rebellions Gloria Steinem

listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE ' S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper ' s Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn ' t have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria ' s growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women ' s Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “ on the road ” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road “ This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers ' stories flow, as she puts it, ‘ out of our heads and into our hearts. ’ ” —People “ Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her. ” —O: The Oprah Magazine “ A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future. ” —USA Today “ A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you ' ve ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights. ” —The New York Times “ Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be. ” —The Boston Globe

Throughout the years, Gloria Steinem is perhaps the single-most iconic figure associated with women's rights, her name practically synonymous with the word "feminism." Documenting everything from her boundary-pushing journalistic career to the foundation of Ms. magazine to being awarded the 2013 Presidential Medal of Freedom, Winifred Conkling's Ms. Gloria Steinem: A Life is a meticulously researched YA biography that is sure to satisfy even the most voracious of aspiring glass-ceiling smashers. Gloria Steinem was no stranger to injustice even from a young age. Her mother, Ruth, having suffered a nervous breakdown at only 34, spent much of Gloria's childhood in and out of mental health facilities. And when Gloria was only 10 years old, her father divorced her mother and left for California, unable to bear the stress of caring for Ruth any longer. Gloria never blamed her mother for being unable to hold down a job to support them both after that, but rather blamed society's intrinsic hostility toward women, and working women in particular. This was the spark that

File Type PDF Outrageous Acts And Everyday Rebellions Gloria Steinem

lit a fire in her that would burn for decades, and continues to burn brightly today.
