2018 Peppa and  
Friends Magnet Book

The book is good for

# Download File PDF Peppa Pig

kids aged less than 8.

Text content is very less  
and mostly with

pictures. Book has about  
5 pages and portion of  
the page where images  
present can be stucked  
with magnets. The  
quality of magnets is  
questionable. They stick  
to the paper with weak  
power and can easily  
fall down.
