Rory Gallagher His Life and Times by Marcus Connaughton

Rory Gallagher, the legendary blues guitarist who died in 1995 at the tragically young age of 47, was probably one of the most gifted guitarists in rock history. A new book, Rory Gallagher: His Life and Times by Marcus Connaughton, tells the story of Rory's rise, from humble beginnings in Cork City where he bought his legendary Fender Stratocaster guitar as a fifteen year old in 1963, to eventually selling 30 million albums worldwide.

Rory Gallagher: His Life and Times – Writing.ie

Rory Gallagher was born in Ballyshannon, County Donegal, in 1948, and raised in Cork. His father sang and played accordion in local bands, while his mother had been a member of a theatre company. The young Rory got his first guitar at the age of nine, and his listening tastes gravitated from Lonnie Donegan to Leadbelly and Big Bill Broonzy.

Rory Gallagher – His Life and Times by Marcus Connaughton ...

The author, Marcus Connaughton, has used what information he could find in describing various points in Gallagher's life. But Gallagher was notoriously tight lipped about his personal life. Even his brother Donal never really knew him well, and described him as lonely and melancholic. But the photographs generate real excitement and give added weight in showing Gallagher's commitment to his music—he never compromised or sold out.

Rory Gallagher is a hero and icon of rock music. He inspired guitar players from The Edge to Johnny Marr, Slash to Gary Moore, Johnny Fean to Philip Donnelly, Declan Sinnott to Brian May. He toured incessantly and sold over 30 million albums worldwide. Acknowledged as one of the world’s leading guitarists, he collaborated with his boyhood hero Muddy Waters, and played with Jerry Lee Lewis, Albert King and Lonnie Donegan. In this compelling biography, contemporaries, fellow musicians, film maker Tony Palmer and Taste drummer John Wilson tell stories about Rory from his meteoric rise in the late 1960s with Taste to his remarkable solo career. This is a compelling testament to the musical life of a shy and retiring working-class hero, distinguished by his checked shirts and his astounding dexterity on acoustic and electric guitar – the guitarist and blues man who blazed a trail for others to follow.

Rory Gallagher is regarded as one of the greatest guitarists of all time. He was a dazzling showman, an accomplished songwriter and a champion of blues music. He began his career in an Irish showband at age fifteen, before forming Taste, one of the great Irish bands. He went on to even greater success as a solo artist in the 1970s. After his success peaked, Gallagher's later life was troubled, ending in disillusion and early death. He remains a legend, with musicians such as the Edge, Johnny Marr and Joe Bonamassa among the legions of fans who still revere him. Drawing on extensive interviews, Julian Vignoles casts new light on the familial, musical and other influences that inspired Gallagher, and on the complex personality that drove his career. Crucially, Vignoles shows how many of Gallagher's songs speak eloquently – and poignantly – about the person who penned them. Meticulously researched, this portrait is the insightful biography that Rory Gallagher deserves.

"Rory Gallagher, Steve Marriott, Rick Derringer and Robin Trower are legends. The glue behind legendary barn-burning, hard-touring outfits like Taste, The Small Faces, Humble Pie, Johnny Winter, The Edgar Winter Group and Procol Harem, and later realizing their full potentials as solo artists, this is the first biography of four players whose dedication to music and virtuosity has been inspirational to a generation of fans and admirers." -- Back cover.

'Governments around the world are using behavioural insights to help people achieve their goals. This great new book shows how you can use the same tools in your own life. Go nudge yourself!'- Richard Thaler, winner of the 2017 Nobel Prize in Economics
A simple and accessible plan for success, based on seven scientifically tested steps that really work. We're often told to dream big, the sky's the limit and that nothing is impossible. While it is undoubtedly good advice to set yourself goals that have the potential to make you and those around you healthier and happier, how to reach those goals is often less clear. From getting fit or securing a new job to becoming a better manager or parent, simply setting your mind to something will rarely get you where you want to be, and big plans can quickly become overwhelming, leaving us feeling as though we've failed. Most of us set goals with very good intentions, so why do our best-laid plans so often go awry? When we're so committed to making positive changes and fulfilling our ambition at the outset, is there a way of avoiding the common roadblocks that stand between our goals and us? Thankfully, the answer is yes – and it's much easier to achieve than you might think. Working inside the world's first Nudge Unit, Owain Service and Rory Gallagher know the huge impact that small changes and clear plans, based on a scientific understanding of human behaviour, can have from an individual to an international level. For the first time, Think Smalltakes these successful approaches and translates them into an easy, simple framework that has the potential to make a big difference to all our lives.

2011 Edition
Mark McAvoy explores the history of Cork rock music from the early days of legendary blues-rock guitarist Rory Gallagher in the 1960s through the Finbarr Donnelly-led punk era of the 1980s, to local indie legends The Frank And Walters and the irrepressible Sultans of Ping. Cork Rock: From Rory Gallagher To The Sultans Of Ping explores the records, venues, personalities and culture that sprang up around rock music in Ireland's second city. Delving deep into the stories behind seminal Cork acts such as Taste, Five Go Down To The Sea? and Microdisney, this book traces the careers of many of the city's most popular and talented musicians. With exclusive photographs and interviews with leading performers, managers, DJs and promoters, Cork Rock: From Rory Gallagher To The Sultans Of Ping is essential reading for all true music fans. Mark McAvoy is a Cork-born journalist and author. He is a graduate of University College Cork and holds an MA in Public Relations from the Dublin Institute of Technology. A life-long music fan, Mark has written for the Evening Echo's 'Downtown' music and entertainment supplement for more than ten years and has contributed to a range of publications including Village, NME and Alternative Ulster. Reviews "It'll require a feat of the loaves and fishes variety to better Mark McAvoy's comprehensive take on Cork's substantial contribution to rock music history. Cork Rock: From Rory Gallagher To The Sultans Of Ping is packed with facts and provocative anecdotes that weave the music into the culture of Cork and the world beyond. You've loved the music, now read the book." Jackie Hayden – Hot Press "An excellent book" Brian Boyd – The Irish Times "There's a hefty early focus on Rory Gallagher who's given an almost biographical going over. If you're into Cork music – or just want to learn more about it – you could hardly ask for a more quirky, fact-filled and well-written guide." James Hendicott – State Magazine
Cork Rock: From Rory Gallagher To The Sultans Of Ping was selected by Irish arts and culture website OMG Entertainment as one of their 'Best Eleven Books of 2009'. "A work of massive importance for Cork's cultural history and a hugely enjoyable read for anyone who has gigged, ligged or larked by the Lee." Des O'Driscoll – Irish Examiner
Cork Rock: From Rory Gallagher To The Sultans Of Ping was awarded the accolade of Hot Press 'Music Book of The Fortnight'. "By the end of this colourful and deeply respectful book, a portrait of the city and the quirky talents it produces emerges, giving you a new found respect for the place and its distinctive inhabitants." Irish Voice (New York City) "Opens with an excellent monograph of the truly talented Rory Gallagher" Tom Widger – The Sunday Tribune "McAvoy vividly describes the growth and transformation of a music scene that both mirrored the trends of the time and produced a unique sound." Ailiah O'Neill – Irish America Magazine "An insightful and well-written book. Highly recommended!" Ken Fallon – Cluass.com
Finalist in the 2013 'Cork's Favourite Book' competition.

Once upon a time ... a legend was born in Ireland. It was said, the seventh son of a seventh son would have magical healing power. The power was to be used to help others. Can you imagine what your life would be like if it was you? This is the story of one man's journey ...

With striking intimacy and candor, Eric Clapton tells the story of his eventful and inspiring life in this poignant and honest autobiography. More than a rock star, Eric Clapton is an icon, a living embodiment of the history of rock music. Well known for his reserve in a profession marked by self-promotion, flamboyance, and spin, he now chronicles, for the first time, his remarkable personal and professional journeys. Born illegitimate in 1945 and raised by his grandparents, Eric never knew his father and, until the age of nine, believed his actual mother to be his sister. In his early teens his solace was the guitar, and his incredible talent would make him a cult hero in the clubs of Britain and inspire devoted fans to crawl "Clapton is God" on the walls of London's Underground. With the formation of Cream, the world's first supergroup, he became a worldwide superstar, but conflicting personalities tore the band apart within two years. His stints in Blind Faith, in Delaney and Bonnie and Friends, and in Derek and the Dominos were also short-lived but yielded some of the most enduring songs in history, including the classic "Layla." During the late sixties he played as a guest with Jimi Hendrix and Bob Dylan, as well as the Beatles, the Rolling Stones, and longtime friend George Harrison. It was while working with the latter that he fell for George's wife, Pattie Boyd, a seemingly unrequited love that led him to the depths of despair, self-imposed seclusion, and drug addiction. By the early seventies he had overcome his addiction and released the bestselling album 461 Ocean Boulevard, with its massive hit "I Shot the Sheriff." He followed that with the platinum album Slowhand, which included "Wonderful Tonight," the touching love song to Pattie, whom he finally married at the end of 1979. A short time later, however, Eric had replaced heroin with alcohol as his preferred vice, following a pattern of behavior that not only was detrimental to his music but contributed to the eventual breakup of his marriage. In the eighties he would battle and begin his recovery from alcoholism and become a father. But just as his life was coming together, he was struck by a terrible blow: His beloved four-year-old son, Conor, died in a freak accident. At an earlier time Eric might have coped with this tragedy by fleeing into a world of addiction. But now a much stronger man, he took refuge in music, responding with the achingly beautiful "Tears in Heaven." Clapton is the powerfully written story of a survivor, a man who has achieved the pinnacle of success despite extraordinary demons. It is one of the most compelling memoirs of our time.

"Number three [Somebody's Baby] in Alward’s Darling, Vermont, series is a fantastic friends-to-lovers tale featuring a true-to-life wary-of-commitment couple." – RT
Bookreviews
Veterinarian Rory Gallagher chose a different path from his brothers, both of whom became first responders in the lovely little town of Darling, Vermont. Rory’s always had an affinity for animals—and the ladies. Known for his impressive track record in breaking hearts, Rory never meant to hurt anyone; he’s just never been in a hurry to settle down. It’s not as if he needs to pay a visit to the town’s famed Kissing Bridge to magically find love. He’ll know The One when he sees her. . .right? Oaklee Ferguson is the kid sister of Rory’s best friend—and, even now that she’s all grown up, remains immune to the pet-doctor’s charms. When she shows up at Rory’s clinic late one night—devastated after hitting a stray dog with her car—Rory’s so-called “bedroom eyes” are the last thing on her mind. Still, his care and kindness toward the dog, and his concern for her feelings, catches Oaklee by surprise. . .and soon the two (and rescued dog makes three!) begin to share a deep connection that neither could have ever imagined. Could it be that love has been waiting for them by the bridge all along?
