Schott ' s Original Miscellany is all of these and, of course, more. Schott ' s Original Miscellany is a snapper-up of unconsidered trifles. Its purpose is to gather the flotsam and jetsam of the conversational tide. Importantly, Schott ' s Original Miscellany makes very few claims to be exhaustive, authoritative, or even practical.

~~Schott's quintessential miscellany (Book, 2011) [WorldCat.org]~~

A book like no other, Schott's Original Miscellany is entertaining, informative, unpredictable, and utterly addictive. Ben Schott is a photographer, designer, and trivia collector. He is twenty-eight (although he believes you might prefer to picture him as a white-haired librarian) and lives in Highgate, London.

In 2003, a curious, old-fashioned, pocket-size book transformed the way we look at information. Since then, Schott's Original Miscellany and its two sequel volumes have been translated into more than fifteen languages and have sold some three million copies. Now Ben Schott returns to the miscellany format with a brand-new cabinet of curiosities. Inside, you'll find fascinating facts cheek by jowl with information you can't live without. All things are considered, from footwear labeling symbols, airport runway markings, and sign-writing brush sizes to the traditional method of counting sheep and how to smoke cigars while reading the news. Nothing escapes the jeweler's eye of this curator of unconsidered trifles. An essential addition to the bookshelf of all who love life's rich tapestry, Schott's Quintessential Miscellany-

equal parts encyclopedia, almanac, treasury, and lexicon-will remind you that there is only one Ben Schott. Praise for Schott's Miscellanies: "If we live in an information age, then Ben Schott has become something of a maestro, or perhaps a master chef, ranging over the whole of knowledge and seasoning his...books with a pinch of this, a drop of that." -Chicago Sun-Times "Genuine practical value...Elegantly designed...A vast empire of informational flotsam and jetsam." -New York Times "One of the oddest and most addictively readable reference books in print."-Boston Globe "Completely earnest and mischievous at the same time."-Newsday

Impossible to read at one sitting, but utterly unputdownable, Schott's Original Miscellany is a unique collection of fabulous trivia. What other book boasts an index that includes shoelace lengths, sign language, and the seven deadly sins; dueling and dwarves; the hair color of Miss America and the Hampton Court maze? Where else can you find, packed onto one page, the names of golf strokes, a history of the Hat Tax, cricketing dismissals, nouns of assemblage, an unofficial motto of the US Postal Service, and the flag of Guadeloupe? Where else but Schott's Original Miscellany will you stumble across John Lennon's cat, the supplier of bagpipes to the Queen, the labors of Hercules, and the brutal methods of murder encountered by Miss Marple? A book like no other, Schott's Original Miscellany is entertaining, informative, unpredictable, and utterly addictive.

Schottenfreude is a unique, must-have dictionary, complete with newly coined words that explore the idiosyncrasies of life as only the German language can. Ever thought, There should be a German word for that? Well, thanks to the brilliantly original mind behind Schott ' s Original Miscellany, now there is. In what other language but German could you construct le mot juste for a secret love of bad foods, the inability to remember jokes, Sunday-afternoon depression, the urge to yawn, the glee of gossip, reassuring your hairdresser, delight at the changing of the seasons, the urge to hoard, or the ineffable pleasure of a cold pillow? A beguiling, ideal gift book for the Gelehrte or anyone on your list—just beware of rapidly expanding (and potentially incomprehensible) vocabularies.

What ho! A new Jeeves and Wooster novel that is "impossible to read without grinning idiotically" (Evening Standard), penned in homage to P.G. Wodehouse by bestselling author Ben Schott -- in which literature's favorite master and servant become spies for the English Crown. The misadventures of Bertie Wooster and his incomparable personal gentleman, Jeeves, have delighted audiences for nearly a century. Now bestselling author Ben Schott brings this odd couple back to life in a madcap new adventure full of the hijinks, entanglements, imbroglios, and Wodehousian wordplay that readers love. In this latest uproarious adventure, the Junior Ganymede Club (an association of England's finest butlers and valets) is revealed to be an elite arm of the British secret service. Jeeves must ferret out a Fascist spy embedded in the highest social circles, and only his hapless employer, Bertie, can help. Unfolding in the background are school-chum capers, affairs of the heart, antics with aunts, and sartorial set-tos. Energized by Schott's effervescent prose, and fully authorized by the Wodehouse Estate, JEEVES AND THE KING OF CLUBS is a delight for lifelong fans and the perfect introduction to two of fiction's most beloved comic characters.

Schott's Almanac redefines the traditional almanac to present a record the year just past and a guide to the year come. It is designed to be a practical and entertaining annual volume, that tells the real stories of the year, from the winner of I'm a Celebrity Get Me Out of Here! to the distribution of income across the British social spectrum, from the Asian Tsunami and its aftermath to Live8 and the crisis of the referenda on the European constitution, and from the

death of the Pope to the trial of Michael Jackson. Section headings are: Chronicle; World; Society & Health; Sci, Tech, Net; Celebrity & Media; Music & Cinema; Books & Arts; Travel & Leisure; Money; Parliament & Politics; The Establishment; Sport; Ephemerides. In an age when information is plentiful but selection is rare, Schott's Almanac offers both the essential facts and the lucid analysis. It will combine the authority and accuracy of the Economist with the wit and vitality of Have I Got News for You.

When it comes to the most important meal of the day, this is the book to end all books, a delectable selection of recipes, advice, illustrations and miscellany. The recipes in the robust volume begin with the iconic full English - which can mean anything as long as there are eggs, bacon, sausages, mushrooms, tomatoes, black pudding, bread, potatoes and beans involved - before moving confidently on to more exotic fare such as kedgeree, omelette Arnold Bennett, waffles, American muffins, porridge, roast peaches, channa masala from India, borek from the Balkans and pães de queijo from South America. There are also useful tips like the top songs for boiling an egg to, and how to store mushrooms. Interspersing the practicalities of putting a good breakfast together are essays and miscellanies from a crack team of eggsperts. Among them are H.P. Seuss, Blake Pudding, Poppy Tartt and Malcolm Eggs, who offer their musings on such varied topics as forgotten breakfast cereals of the 1980s, famous last breakfasts and Freud's famous Breakfast Dream. Whether you are a cereal purist, a dedicated fan of eggs and bacon or a breakfast-aficionado with a world view, The Breakfast Bible is the most important book of the day.

A witty and addictively readable day-by-day literary companion. At once a love letter to literature and a charming guide to the books most worth reading, A Reader's Book of Days features bite-size accounts of events in the lives of great authors for every day of the year. Here is Marcel Proust starting *In Search of Lost Time* and Virginia Woolf scribbling in the margin of her own writing, "Is it nonsense, or is it brilliance?" Fictional events that take place within beloved books are also included: the birth of Harry Potter's enemy Draco Malfoy, the blood-soaked prom in Stephen King's *Carrie*. A Reader's Book of Days is filled with memorable and surprising tales from the lives and works of Martin Amis, Jane Austen, James Baldwin, Roberto Bolano, the Brontë sisters, Junot Díaz, Philip K. Dick, Charles Dickens, Joan Didion, F. Scott Fitzgerald, John Keats, Hilary Mantel, Haruki Murakami, Flannery O'Connor, Orhan Pamuk, George Plimpton, Marilynne Robinson, W. G. Sebald, Dr. Seuss, Zadie Smith, Susan Sontag, Hunter S. Thompson, Leo Tolstoy, David Foster Wallace, and many more. The book also notes the days on which famous authors were born and died; it includes lists of recommended reading for every month of the year as well as snippets from book reviews as they appeared across literary history; and throughout there are wry illustrations by acclaimed artist Joanna Neborsky. Brimming with nearly 2,000 stories, A Reader's Book of Days will have readers of every stripe reaching for their favorite books and discovering new ones.

In the spirit of Schott's *Miscellany*, *The Magic of Reality*, and *The Dangerous Book for Boys* comes *Can a Bee Sting a Bee?*—a smart, illuminating, essential, and utterly delightful handbook for perplexed parents and their curious children. Author Gemma Elwin Harris has lovingly compiled weighty questions from precocious grade school children—queries that have long dumbfounded even intelligent adults—and she's gathered together a notable crew of scientists, specialists, philosophers, and writers to answer them. Authors Mary Roach and Phillip Pullman, evolutionary biologist Richard Dawkins, chef Gordon Ramsay, adventurer Bear Grylls, and linguist Noam Chomsky are among the top experts responding to the Big Questions from Little People, (" Do animals have feelings? " , " Why can ' t I tickle myself? " , " Who is God? ") with well-known comedians, columnists, and raconteurs offering

Read Online Schotts Miscellany Page A Day Calendar 2009 Original Page A Day Calendars

hilarious alternative answers. Miles above your average general knowledge and trivia collections, this charming compendium is a book fans of the E.H. Gombrich classic, *A Little History of the World*, will adore.

Do you know how to milk a cow? . . . the symptoms of a venomous spider's bite? . . . where to find the fastest rollercoasters? You won't find such an eclectic collection of fascinating facts anywhere else. Whether you want to know how to beat an alligator in a fight, ways to speak in secret code, which insects are edible, or what the heck scolionophobia means, this is the book for readers both young and old.

A cross between Henry Beard's *Latin for All Occasions* and Ben Schott's *Schott's Original Miscellany*, *JUST SAY NU* is a practical guide to using Yiddish words and expressions in day-to-day situations. Along with enough grammar to enable readers to put together a comprehensible sentence and avoid embarrassing mistakes, Wex also explains the five most useful Yiddish words—shoyn, nu, epes, takeh, and nebakh—what they mean, how and when to use them, and how they can be used to conduct an entire conversation without anybody ever suspecting that the reader doesn't have the vaguest idea of what anyone is actually saying. Readers will learn how to shmooze their way through such activities as meeting and greeting; eating and drinking; praising and finding fault; maintaining personal hygiene; going to the doctor; driving; parenting; getting horoscopes; committing crimes; going to singles bars; having sex; talking politics and talking trash. Now that Stephen Colbert, a Catholic from South Carolina and host of the "Colbert Report," is using Yiddish to wish viewers a bright and happy Chanukah, people have finally started to realize that there's nothing in the world that can't be improved by translating it into Yiddish. Wex's *JUST SAY NU* is the book that's going to show them how.
