A really good Book from KB Winters. I enjoyed reading "Sinfully Scarred". This is Book 2 in the ("Reckless Bastards MC") stories. It's a really well written, interesting book with a good storyline and lovely characters, Tate & Teddy, who have amazing, intense chemistry and interaction that kept me engrossed in their story.

He's no longer the reckless young man he once was, and only half as pretty. All he wants is to hide away in his country home, where no one can see his scars. But when he tries to sneak into his old bedroom in the middle of the night, he's shocked to find someone already there. Rose Hayward remembers Eli as the arrogant lord who helped her late fiance betray her. Finding him stealing into her art studio doesn't correct her impression. Her only thought is to get him to leave immediately. Yet the tension between them is electric, and she can't help but be drawn to him. He might be back from the dead, but it's Rose who is suddenly feeling very, very much alive.
