Skylanders Book Reviews! Skylanders Master Eon Official Guide

Perhaps due to the time it was written, some errors were present, but it did an adequate job as far as a dedicated strategy guide goes. Master Eon's guide is billed as "the definitive source for all the realms and characters of the Skylanders universe", a claim that falls way short. The book is a less complete version of the Bradygames guide.

This is one of a series of "Official Guides" relating to the various Skylanders games. It's a great reference book, taking you through the game story chapter by chapter. It has references to all the enemies, the quests, how you can level up the characters and the occasional tip (though to be honest, if you're stuck on a chapter or in a battle, you're better off looking online for a walkthrough).

Master Eon led his Skylanders against Kaos's forces in defending the great machine, but the evil tyrant succeeded in destroying the Core of Light using his Hydra, blowing up Eon and banishing the Skylanders to Earth in the process. During the explosion, the old Portal Master was pulled into his own portal, no longer appearing in his human form, forever locked in the space between realms as a spirit.
