understanding and meeting the four basic needs of those who look to you for leadership.

Outlines a program developed by Gallup experts and based on a study of more than two million people to help readers discover their distinct talents and strengths and how they can be translated into personal and career successes. 100,000 first printing.

Helps aspiring college students discover where their strengths truly lie and how to develop them to reach their full potential at school and later in the real world.

A "strengths"-based guide to inspiring congregations presents a unique plan for building community by encouraging individuals to share their talents with the group.

Shows the interconnections among the elements of well-being, how they cannot be considered independently, and provides readers with a research-based approach to improving all aspects of their lives.

The Groundbreaking Strengths Assessment from the Leader of the Strengths Revolution In the years since the publication of *First, Break All the Rules* and *Now, Discover Your Strengths*, millions have come to the simple but powerful realization that to get the most out of people, you must build on their strengths. And yet, as Marcus Buckingham astutely points out, though the strengths-based approach is

now conventional wisdom, the tools and systems inside organizations—performance appraisals, training programs, and succession planning systems—remain stubbornly remedial and exclusively focused on measuring skills, finding gaps, and attempting to plug them. It's a crisis for individuals and organizations, with management ideas and everyday practice utterly out of sync. That's about to change. StandOut 2.0 is a revolutionary book and tool that enables you to identify your strengths, and those of your team, and act on them. The original edition of StandOut provided top-notch insights from one of the world's foremost authorities on strengths, as well as access to a powerful, cutting-edge online assessment tool. StandOut 2.0 also includes the assessment and a robust report on your most dominant strengths. The report is easily exported so you can use it to present the very best of yourself to your team and your company. StandOut 2.0 is your indispensable guide for building on your strengths to further your career—and help your team and organization win.

Life is not what you get out of it . . . it's what you put back in. Yet our current means for summarizing life's work, from resumes to salaries, are devoid of what matters most. This is why the work we do is often bad for our wellbeing, when it should be making us happier and healthier. What are the most meaningful contributions we can make? This is Life's Great Question. Life is about what you do that improves the world around you. It is about investing in the development of other people. And it is about efforts that will continue to grow when you are gone. Life's Great Question will show you how to make your work and life more meaningful, and greatly boost your wellbeing. In this remarkably quick read, author Tom Rath describes how finding your greatest contribution is far more effective than following talent or passion alone. More than a book, each copy includes a code for an online program that identifies the most significant contributions you can make. This deeply practical book will alter how you

2011 AJN Book of the Year Winner in Leadership and Management! The ultimate goal for Doctor of Nursing Practice (DNP) leaders is to develop skills that will support their ability to lead effectively through complex challenges-such as working within the constraints of tight budgets, initiating health care policy change to eliminate health disparities, and improving health care outcomes at all levels of care. This text is an invaluable instructional guide for nursing graduate students who are developing the skills needed to fulfill this new and emerging role of clinical leadership. With this book, nurses can develop leadership skills that will ultimately transform health care practice by incorporating innovative professional models of care. It provides critical information and practical tools to enhance leadership, drawing from the works of experts in business and health care leadership. This book is an important resource for DNP students, nurse practitioners, and current clinical leaders dealing with the challenges of health care for the next generation. Key topics: Cultivating the characteristics of a transformational leader: charisma, innovation, inspiration, intellect, and more Developing the role of the DNP within complex organizational systems Incorporating new care delivery, practice, and management models through leadership Navigating power, politics, and policy: building the team, understanding economics and finance, and more
