Sunday school leads the church in prayer and relationships. From the preschool class through all the adult classes, prayer is directed toward the specific needs of the ...

Sunday School across America is on a decline. Biblical literacy is at an unprecedented low amongst believers, and it seems as if there is no end to where this could lead to in our churches. The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material. Enlisting help from scholars across the country, the department wrote the Interpretative Expository, an exposition for each lesson of the Sunday School curriculum. Also, to assist pastors, preachers, missionaries, and laity with sermon subjects and preparation, our team has included a sample sermon outline from one of the lessons. Reemphasize the message of Sunday School by preaching a message from the text of the lesson.

This quarter I want to talk about some of the things that we in the Church Of God In Christ do and have done for many years. Sometimes we do things and never really know or understand why we do them. Some questions we can answer through God's Word and others through the thoughts of the early Saints. We must understand that some things were put in place and became a tradition because of someone's opinion. Everyone has opinions, but it doesn't mean that it's right or wrong, it's just an opinion. Sometimes it's a good opinion, but not workable for the good of all at any given time. So, as we study, let's remember that God's Word does not have private interpretations. For the Word says, "Let every man be a liar, but God's Word is the truth" (Romans 3:4a).
