While visiting Ireland, Grayce takes a hike in the Comeragh Mountains, only to fall into a hidden world with no way out. She's rescued by a gorgeous warrior dressed like a medieval hero in a romance novel. He's convinced fate brought her to him, while Grayce is convinced he. Grayce MacCarthy possesses the gift of foretelling—but to her, visions are more a curse than a gift.

Fiona MacCarthy makes a breakthrough in interpreting Byron's life and poetry drawing on John Murray's world-famous archive. She brings a fresh eye to his early years: his childhood in Scotland, embattled relations with his mother, the effect of his deformed foot on his development. She traces his early travels in the Mediterranean and the East, throwing light on his relationships with adolescent boys – a hidden subject in earlier biographies. While paying due attention to the compelling tragicomedy of Byron's marriage, his incestuous love for his half-sister Augusta and the clamorous attention of his female fans, she gives a new importance to his close male friendships, in particular that with his publisher John Murray. She tells the full story of their famous disagreement, ending as a rift between them as Byron's poetry became more recklessly controversial. Byron was a celebrity in his own lifetime, becoming a 'superstar' in 1812, after the publication of Childe Harold. The Byron legend grew to unprecedented proportions after his death in the Greek War of Independence at the age of thirty-six. The problem for a biographer is sifting the truth from the sentimental, the self-serving and the spurious. Fiona MacCarthy has overcome this to produce an immaculately researched biography, which is also her refreshing personal view.

Winner of the Wolfson History Prize, the essential biography of the father of the Arts and Crafts movement. The author, Fiona MacCarthy, is the curator of the National Portrait Gallery's 2014-15 exhibition Anarchy and Beauty: William Morris and His Legacy.'One of the finest biographies ever published in this country' A. S. Byatt Since his death in 1896, William Morris has come to be regarded as one of the giants of the Victorian era. But his genius was so many-sided and so profound that its full extent has rarely been grasped. Many people may find it hard to believe that the greatest English designer of his time, possibly of all time, could also be internationally renowned as a founder of the socialist movement, and could have been ranked as a poet together with Tennyson and Browning With penetrating insight, Fiona MacCarthy has managed to encompass all the different facets of Morris's complex character, shedding light on his immense creative powers as artist and designer of furniture, fabrics, wallpaper, stained glass, tapestry and books, and as a poet, novelist and translator, his psychology and his emotional life, his frenetic activities as polemicist and reformer, and his remarkable circle of friends, literary, artistic and political, including Dante Gabriel Rossetti and Edward Burne-Jones. Fiona MacCarthy's skilful drawing together of these disparate elements makes for a comprehensive and compelling biography.

In this taut, chilling novel, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance.

Fiona MacCarthy challenges the image of Walter Gropius as a doctrinaire architectural rationalist, bringing out the vision and courage that carried him through a politically hostile age. Approaching the Bauhaus founder from all angles, she offers a poignant personal story, one that reexamines the urges that drove Euro-American modernism as a whole.

Emma Clayton's love life is decidedly passionless and predictable. Following her move from Los Angeles to a quaint English village with her fiance Ben, all that changes when a violent electrical storm whisks her one hundred and sixty years into the past. Trapped in Victorian England, Emma is determined to find a way home, back to her fiance and the life he's mapped out for them. That is until she meets the captivating Lord Henry Drake, son to the Earl of Pembroke. Handsome and gallant, he quickly challenges her understanding of love and duty. But Emma is hiding a terrible secret. She knows of Lord Henry's untimely death, a date which is fast approaching. And before long, she will be forced to choose between saving the man she loves and returning to a life that seems so far away."

A life hangs in the balance . . . A king held for ransom, a country under thumb, clans at one another's throats. Malcolm of clan MacKintosh has enough to worry about without finding a mysterious lass sleeping on the side of his road. He tries to help her — in his overbearing, arrogant way — and winds up flat on his back. God's blood, who is this woman . . . and why does she captivate him so?And only she can tip the scales.The fortune-teller said something about saving a life, then zapped Aethia Goodsky back to fifteenth-century Scotland — a land bristling with broadswords and intrigue. Aethia is no damsel in distress, though, even if brawny, blue-eyed Malcolm has sworn to protect her. With her wits and special abilities, she races to solve the gypsy's mystery and protect those she's come to love. The stakes climb higher and enemies close in, forcing Aethia to choose between finding her way home . . . and staying true to her Highlander.

Living a double life can be perilous. Especially when you find a man so intriguing, so compelling, that his very presence leaves one shaking with desire and emotions never before experienced. Antonia Attracelli experiences this, plus so much more, on the day she is introduced to Brett Hancock, a man used to getting his own way, so when he sets his sights on Antonia, she's fighting to remain independent and free from his charming, alluring web of passion. When she realizes that she can't fight him, her world erupts into an unending fairy land of desire and love.

Marybeth frowned. "Dinna ye think it wrong, tae grab the faerie axe by force?"Ashley batted the air as if what Marybeth had said was dismissible. "The faeries gave it tae Ciaran, who gave it tae John. Kelsey stole it from John. 'Tis na wrong for John tae steal it back from her."Connell stuck his chest out and his chin up in a show of bravado. "Kelsey's gotten full o' herself, syne she went off tae Celtic University. That, or she has been brainwashed by all those Druids. We used tae be friends, but now she's gone tae far. We will be taking that axe back from her sae we can save Donnan. End o' discussion."

Flung back in time by a terrible car accident, Cora must find her destiny in the wild Scottish Highlands -- and escape the murderous plot that ended the life of her ancestor before it's too late.Cora Wilcox has been trapped in a maelstrom of depression since the disappearance of her dear friend Audrina. As a midwife, Cora has seen her fair share of joy and heartbreak, and after a particularly tragic evening, Cora is injured in a horrific car accident. Instead of waking in the hospital, she instead finds herself in a green field in the medieval Scottish highlands. The Lady of the castle is in her childbed, but something isn't right, and the midwife is nowhere to be found. Riding hard to find help for his Laird, Ian MacClaran is literally thrown into the lap of a young woman in strange clothing who happens to be exactly the help he is looking for.Coming to terms with spending the rest of her life in this new reality was one thing, but it's the way Ian MacClaran's hazel eyes won't leave her that is sparking something inside her that she never thought possible. However, Cora's identity in this world has the potential to bring ruin upon the Clan, especially if a familiar enemy discovers that she has returned.Highlander Warrior is the second book in the Highlander of Time series, perfect for fans of brooding heroes, intrepid heroines, and page-turning time-travel romance. Grab your copy today, and enter the exciting world of Highlander of Time!

Fran Clark's grandmother has passed away, and she is assigned the task of going through her Gram's personal items, deciding what to keep and what to discard. As she is going through desks and drawers, she comes across a key that opens Gram's trunk, which is filled with quilts made by generations of Clark women. The key was one she had always loved as a child. Filled with nostalgia, Fran spreads the quilts across the room, and while shedding tears for the loss of her grandmother, she suddenly finds herself transported to 1875, and she is not even sure how she got there. Scared and alone, she must find a way to fit into this new world. As Fran struggles to find her way back to her own time period, she learns of a new way of living in the post Civil War era, one of hard work with very little time for relaxation, and lacking any modern amenities, but as she begins to adjust, she discovers a different side to herself. She finds strength and a self-confidence she did not know she had, and she learns that two different men find her beautiful, something she had never thought about herself before.When the time has come to make a decision to stay or leave, she is torn. If she stays she will have a contented and fulfilled life, but she will be living a lie, and she nks hurting those she has grown to love and who love her. And if she goes, even though she will once again be back with her family, she will have to deal with all of the pressures of a modern life, and she will be facing it alone, with no one to love.Can Fran find a way back to her own time? Does she want to? Travel back in time with Fran and decide for yourself what you would do.Yesterday's Tears is the first book of a new series by Jane O'Brien called A Slip in Time.
