"THE MAHABHARATA ENDURES AS THE GREAT EPIC OF INDIA. While Jaya is the story of the Pandavas, told from the perspective of the victors of Kurukshetra, Ajaya is the tale of the Kauravas, who were decimated to the last man. From the pen of the author who gave voice to Ravana in the national bestseller, ASURA, comes the riveting narrative which compels us to question the truth behind the Mahabharata. THE DARK AGE OF KALI IS RISING and every man and woman must choose between duty and conscience, honour and shame, life and death... o The Pandavas, banished to the forest following the disastrous games of dice, return to Hastinapura. o Draupadi has vowed not to bind her hair till she washes it in the blood of the Kauravas. o Karna must choose between loyalty and gratitude, friend and Guru. o Aswathama undertakes a perilous mission to the mountains of Gandhara, in search of the Evil One. o Kunti must decide between her firstborn and her other sons. o Guru Drona has to stand with either his favourite disciple or his beloved son. o Balarama, having failed to convince his brother about the adharma of violence, walks the streets of Bharatavarsha, spreading the message of peace. o Ekalavya is called to make the ultimate sacrifice to uphold a woman's honour. o Jara, the beggar, sings of Krishna's love while his blind dog, Dharma, follows. o Shakuni can almost see the realization of his dream to destroy India. As the Pandavas stake their claim to the Hastinapura throne, the Kaurava Crown Prince, Suyodhana, rises to challenge Krishna. As great minds debate dharma and adharma, power hungry men prepare for an apocalyptic war. The women, highborn and humble, helplessly watch the unfolding disaster with deep foreboding. And greedy merchants and unscrupulous priests lie in wait like vultures. Both sides know that beyond the agony and carnage the winner will take all. But even as gods conspire and men's destinies unfold, a far greater truth awaits. \*\*\*\*\* One of the six most remarkable writers of India. DNA An Amazing read. The WEEK Unique voice of a rebellious author telling the story from the other side, a feat a few have dared or managed so well. Bihar Times"

Thank You For Choosing Me is a picture book of gratitude from parents to their children. It shows appreciation for all the moments shared between parents or grandparents and their children. A perfect gift for all the children you are grateful for.

A personalized Picture book thanking children for choosing their parents

A friend loves at all times and a brother is born for adversity What does it mean to be a friend? Sit down for a hot cup of tea with author and speaker Jill Briscoe as she describes the sisters in Christ she's encountered over her lifetime and the lessons they've often unknowingly shared with her. Meet: Shirley, the older sister Jill idolized as a child; Janet, the hospital roommate who led her to the Lord; Joan, the example of how to love and follow a man in full-time Christian service; Mary, her mother-in-law, the personification of grace and humility in the face of death. You'll be touched by the endearing relationship she's cultivated with many women over the years and be encouraged to be such a friend to those around you.

Ever wonder why some people seem to be at peace despite the ups and downs daily life can bring, while others are restless even in seemingly ideal circumstances? In Choosing a Good Life, Alyson Berman explores what it means to be at peace with ourselves, our choices, and the world around us in all its glorious chaos. She takes us into the lives of people who, despite their vastly different talents, challenges, and interests, have achieved a deep sense of balance in and satisfaction with their lives. Stories include those of Holocaust survivor Emery Jacoby, who rose above anger and bitterness to reaffirm the good in himself and others, along with Sungrai Sohn, a violin prodigy and gifted teacher who lives in the shadow of a potentially fatal illness and many other inspiring life stories. Berman then pinpoints their common approaches and qualities to reveal how they have found contentment--and how we can too. With Choosing a Good Life you will have the tools and guidance to: identify what you truly value, make use of the pain and trials of life to make you stronger, and set priorities to find more time and energy for the things that bring you satisfaction. Learn how to achieve something that eludes so many of us--the sense of purpose that comes with deep self-acceptance.

A beautiful picture book celebrating the bond between parents and child
