I downloaded this book right after I got my Kindle last week so that I could do a "test run". A day and a half later, I finished "The Abbey" and was left looking for something else like it on the Kindle store! I really loved the way Culver crafted Detective Rashid. He was a complicated character that had so many different layers to him.

A masked ball, a dead body, a missing diamond necklace and a suspicious silver candlestick? Sounds like a case for Lady Eleanor Swift! England, 1920. Lady Eleanor Swift, adventurer extraordinaire and reluctant amateur detective, is taking a break from sleuthing. She's got much bigger problems: Eleanor has two left feet, nothing to wear and she's expected at the masked ball at the local manor. Her new beau Lance Langham is the host, so she needs to dazzle. Surrounded by partygoers with painted faces, pirates, priests and enough feathers to drown an ostrich, Eleanor searches for a familiar face. As she follows a familiar pair of long legs up a grand staircase, she's sure she's on Lance's trail. But she opens the door on a dreadful scene: Lance standing over a dead Colonel Puddifoot, brandishing a silver candlestick, the family safe wide open and empty. Moments later, the police burst in and arrest Lance for murder, diamond theft and a spate of similar burglaries. But Eleanor is convinced her love didn't do it, and with him locked up in prison, she knows she needs to clear his name. Something Lance lets slip about his pals convinces Eleanor the answer lies close to home. Accompanied by her faithful sidekick Gladstone the bulldog, she begins with Lance's friends - a set of fast driving, even faster drinking, high-society types with a taste for mischief. But after they start getting picked off in circumstances that look a lot like murder, Eleanor is in a race against time to clear Lance's name and avoid another brush with death... Fans of Agatha Christie, T E Kinsey and Downton Abbey will adore this tremendously fun cozy whodunnit, full of mystery,

murder and intrigue! Readers love Verity Bright! 'What a great cozy mystery! I am hooked! This is the best book, bar none, that I have read this year... An extremely witty, fast-paced mystery... I love the heroine, intrepid adventuress... I want to live at Henley Hall, I love Gladstone, the very funny bulldog, too cute! A most enjoyable read!' Reviews by Carol in Tallahassee

'So engaging. I loved reading this book it was so easy to read and absolutely captivating. I cannot wait to read of the further adventures of Lady Eleanor and her beloved bulldog Gladstone. Highly recommended.' Goodreads Reviewer

'I liked Eleanor a lot, she's feisty and sweet... The ending had me a little teary, because she's finally come home... The best part of the book was that it made me feel cozy and warm. Looking forward to the next book! Highly recommended.' Goodreads Reviewer

Northanger Abbey was the first of Jane Austen's novels to be completed for publication, in 1803. However, it was not published until after her death in 1817, along with another novel of hers, Persuasion. Northanger Abbey is a satire of Gothic novels, which were quite popular at the time, in 1798-99. This coming-of-age story revolves around Catherine Morland, a young and naïve "heroine", who entertains the reader on her journey to a better understanding of the world and those around her. In the course of the novel, she discovers that she differs from those other women who crave wealth or social acceptance, as instead she wishes only to have happiness supported by genuine morality.

Southwest, a new breed of settler, whites and Indians together, is creating a new way of life in the wilderness—a pastoral economy—with skills and savvy resurrected from the pre-industrial past. Meanwhile, in a last surviving bastion of urban life, the remnants of the power elite are girding their armed forces to re-impose the old order. This is a land of horses and motorcycles, high-tech weaponry and primitive courage, and the struggle for the American future is mounting in intensity. No quarter is asked or given, and the outcome hangs in perilous balance against a background of magnificent nature and eternal human verities. With this boldly satirical imaginary world, Abbey asks us to look around and take stock of what we value—before it is too late.

In this epic tale of friendship, family, and romance in World War II England, a young noblewoman must choose between her inheritance and the man she loves. To many, Lady Sophia Somerville appears to live a privileged life. Still, it ' s a life full of obstacles to be overcome . . . As a student at The Ashwick Park School, Sophia meets classmate Edwina Phillips. The two become the best of friends, but it is all put to the test by an unbelievable betrayal . . . Sophia ' s debutante season is much anticipated. Yet when she falls in love with physician and RAF Group Captain Spencer Stanton, theirs is a relationship her parents cannot bless . . . Sophia ' s parents appear to be the epitome of grace, charm and dignity, but that ' s far from the truth. Her father is charismatic but unscrupulous, while her beautiful mother is prone to fits of rage. And as terrible as they may seem, Sophia still yearns for their approval—even as her values begin to turn away from theirs. Soon, long held family secrets emerge and threaten to destroy the Somervilles. Sophia is faced with an untenable decision: whether to hold fast to her beliefs and cut ties with her family or continue to

be the dependent little girl her parents insist she is. Ultimately, Sophia must face the challenge of comprehending, forgiving, and loving her profoundly imperfect family.

A 1920s Murder Mystery - Death in the desert with intrigue, adventure and a dog of distinction.' There's a damsel in distress and accusations of attempted murder flying around, but it's not in the comfortable confines of the English countryside, it's in the very distant city of Damascus. Lennox must go and investigate, although he's not too keen on exotic locations, and his old retainer, Greggs is distinctly averse to the very idea. Nevertheless, ex-Chief Inspector Swift persuades them and they reach the ancient city to discover a movie crew, a spy and a couple of mysterious ladies. Nobody seems to be telling the truth, they all have secrets, and there's one secret in particular that's drawn them like bees to the honeypot. But what is it? And then there's murder, and mysteries from the ancient past, and a handsome Sheik who remains in the shadows. Heathcliff Lennox and Swift must investigate and use all their ingenuity to unravel the enigma that lies hidden in the dusty streets of ancient Damascus. Major Heathcliff Lennox, ex-WW1 war pilot, six feet 3 inches, unruly dark blond hair, age around 30 - named after the hero of Wuthering Heights by his romantically minded mother - much to his great annoyance. Death in Damascus is the fourth book in the Lennox series. amazon reviews Kindle Customer Sally Hutcheson 5 stars Excellent Mystery. Don't pick up unless you have time to read it all She does not give away "who done it" until the very end and it still makes sense. series. I read book three before this in error which led to a small bit of confusion but no real problem. Kindle Customer Kathryn Loewenstein What fun this book was! Delightful story...kept me laughing at times and thoroughly entertained. Really if one wants an entertaining mystery, this is it! Hope everyone will enjoy this book as much as I did! Cat100 5 starsTerrific cozy English house mystery!! absolutely loved this book! It was really hard to put down. The characters were all so great. I can't get enough of the old fashioned English house party mystery. Kindle Customer 5 starsAn Agatha or Dorothy Sayres style that I thought went out of fashion In these days Well done, satisfying, wanting the next one! I will heartedly recommend. Puzzle without gore, depressive scenes, or bodily fluids. Well done! Vicki Oliver 5 starsWell done latest mystery with Heathcliff Lennox Karen Baugh Menuhin's mystery with WWI veteran Heathcliff Lennox is perfect for fans of traditional detective mysteries. The waning life of post-war England is spot on--the loyal servants, some of whom served as bat men in the war, the ambiance of old crumbling manor houses the dialogue--all make the book a delightful read. Mr. Fogg, Lennox's sweet dog, is joined by Mr. Tubbs, an orphaned cat. Inspector Swift re-appears, much to both men's dismay. Ms. Menuhin has a way of incorporating touches of Downton Abbey with war details along with humor. I read this book via Kindle Unlimited but have added it permanently to my library for re-reading again (and again).
