Accumulator Betting •

The Accumulator  
Accumulator bets  
essentially combine  
several individual bets  
into one big whole. All  
you have to do is  
string up 4 or more  
selections in one  
betting slip and make  
the wager as an acca.

As previously

mentioned, an accumulator wins only if all of its selections are successful. If just one leg of your multiple bet fails, the entire wager loses as well.
