and The Answer provides a framework for sharing their wisdom, experience, and skills with the millions of people who want to accomplish their own dreams in life. Using cutting-edge research into brain science and quantum physics, they show how readers can actually rewire their brains for success and create the kind of extraordinary lives they want. By teaching readers how to attract and use newly discovered "uncommon" senses to achieve business success, the authors demonstrate the beliefs, habits, thoughts, and actions that they have used to build eighteen multimillion-dollar companies. Any reader who follows this step-by-step process to build his or her career will experience an enormous life transformation and reach an exceptional level of living.

Our schools and parents teach us only a small fraction of what we need to learn in order to reach our true potential and achieve success. The rest we must learn through our own trials and tribulations. 'Street Kid' John Assaraf broke free from a troubled past to create a multi-million dollar empire. In Having it All, Assaraf tells of his discovery that, no matter what kind of difficult circumstances someone happens to be in at any one time, he or she can achieve whatever they want in life. By combining old-world wisdom and street-smart tactics, Assaraf created the life of his dreams. He shares his method here.

"If you really have so much potential...why are you NOT using all of it? The latest brain science delivers the answers you need to break free and unlock the hidden power of your subconscious mind, so you earn more, live more, and achieve more than ever before. By using the latest technologies and evidence-based training techniques, you can release years of old programming, limiting beliefs and habits that keep you stuck achieving the same results over and over again. Discover powerful brain-based techniques that elite athletes, Navy SEALs, CEOs, and astronauts use to upgrade their mindset, focus, and emotional fortitude!" --

A vision board is a powerful tool that anyone can use to shape an ideal future through the power of intention and visualization. Learning how to vividly imagine your desired results--attracting your perfect soul mate, radiant health, abundant career opportunities, or building personal and community relationships to give back--is the first step on the path to making them happen. Break through unconscious, limiting beliefs and get ready to transform your future now. If you can envision it, you're halfway there! This book will explain and walk you through exactly how to create a vision board in conjunction with how to retrain your brain to actually start believing that you can achieve all your goals and dreams. Then, the universe will work its magic! This is a great personal gift and one your friends and family will love.

If any area of your life is somewhat unfulfilled, the Law of Attraction can change this for you. Because the Law of Attraction is always in action, the key is knowing how to utilize it to transform your life forever. In You Can Attract It, Authors Steve G. Jones and Frank Mangano provide a lifestyle program that contains multiple tools for the proper application of the Law of Attraction. From simple lifestyle changes to hypnosis exercises to six step-by-step instructions for bringing people and events into your life, You Can Attract It's combination of methods are scientifically proven to work. And if scientific proof is not enough, see how both authors have changed their lives with this program by learning, living, and mastering it. Delve into the pages and prepare to attract health, wealth, love or anything else you desire. Experience the life you truly deserve.

Provides a step-by-step system to achieve success in every aspect of life.

Did you know that asking a new kind of question can immediately change your life? One morning in 1997, college student Noah St. John was in the shower when he asked himself a question that changed his life: Why are we trying to change our lives saying statements we don't believe . . . when the human mind responds automatically to something even more powerful? That's when he invented the stunningly simple yet amazingly effective method he named Affirmations—a method that's since helped tens of thousands of people around the world to attract more money, lose hundreds of pounds, find their soul mates, grow their businesses, and dramatically improve their lives, with just four simple steps. The Book of Affirmations isn't just another book on abundance. It's a proven, step-by-step guidebook to living the life of your dreams. Inside this book, you'll discover: • What the Belief Gap is and why it's keeping you stuck • How a struggling insurance salesman increased his income by 560 percent in less than a year—and found the love of his life—using this method • How a 13-year-old girl cured her chronic insomnia using this simple technique—in just one night • What they told you about the Law of Attraction that's just flat-out wrong • How to quit smoking and overcome depression without drugs or therapy • The 2 most effective questions of all time, and the 1 question you should never ask • How to create instant superstar performance in yourself and everyone in your organization • And that's just the beginning . . . Are you ready to join the Affirmations Revolution?

No matter what you want in your life, Having It All will take you from where you are to where you want to be. Entrepreneur John Assaraf started with nothing and went on to create a multimillion-dollar empire and achieve the life of his dreams, earning himself the nickname "The Street Kid." Now he shares the best of what he's learned so you, too, can create the life of your dreams. Having It All contains practical exercises and powerful lessons to help you achieve greater happiness and long-lasting success. You will learn how to: Develop and utilize the seven power factors all highly successful people use Apply the most advanced techniques that world-class athletes and entrepreneurs use to eliminate mental obstacles Pinpoint and design the exact life you truly want Use the power of your subconscious mind to develop empowering success habits

An award-winning entrepreneur and business coach outlines an easy-to-follow formula that helps you own your unique value, make more money, have more impact, and get more out of life--all without being pushy or sales-y. Meant for More is a How to Win Friends and Influence People for the modern age. It shows you how to stand out in an increasingly noisy world by simply offering your unique skills and talents and helping others do the same. It offers tangible skills to use in all areas of your life, including work, to increase your success and do good while you're at it. It speaks to people looking to leave the 9-to-5 for more freedom and fulfillment; stay-at-home moms going back to work; young Boomers worried they're too senior (and expensive) to find new jobs; idealistic Gen Xers and Millennials unwilling to toe the company line; and experts in any field who want to cash in on their expertise while making a difference. In Meant for More, an award-winning entrepreneur and business coach outlines the formula for getting the "more" you've been longing for: a proven system to sell yourself and your one-of-a-kind gifts to the people you were meant to help and reap the rewards that come when you stop giving away your gifts for free. The Meant for More Formula helps you upgrade your mind-set, unwrap your unique gifts, claim your value, and make irresistible offers so you can get what you're worth and make the difference you're here to make--in a way that isn't remotely pushy or sales-y. We all long for more: More impact. More success. More fulfillment. More abundance. More freedom. More joy. But it's not necessarily easy to fulfill this longing. We all know someone who clearly has so much to offer the world but who holds back out of fear--fear of failure, or of success; fear of putting herself "out there"; fear of being perceived as pushy or full of himself. Maybe that person is you.

If money were about math, none of us would be carrying any debt. The numbers are simple. What's complicated is what we do with money. We use money to soothe our feelings and buy respect, to show how much we care or how little. We don't simply earn, save, and spend money: we flirt with it, crave it, and scorn it: we punish and reward ourselves with it. Without realizing it, we give money meaning it doesn't really have—what former psychiatrist and current business coach David Krueger calls our "money story." And in the process of playing out that money story, we often sacrifice the most important things in our life: our health, freedom, relationships, and happiness. What is your money story? Do you consistently spend more than you have? Do you follow the herd in your investments—even though you know the herd is usually wrong? Have you neglected to save for the future, even when you have the means? Do you feel controlled or shackled by debt? Is your money somehow never "enough"? Is money, or the lack of it, always on your mind? The Secret Language of Money is a guided tour to the subconscious meanings we give money, the conflicted ways our brains deal with money, the reasons we tend to make the same money mistakes over and over—and most importantly, how you can change all that. A brilliant blend of cutting-edge science and real-world application, The Secret Language of Money helps you rewrite your money story and find that elusive balance of wealth, health, and joy we all seek.
