**The Continuum Concept (Arkana) eBook: Liedloff, Jean ...**

Though not written as a child-rearing manual, The Continuum Concept has earned a reputation as an excellent resource for parents and parents-to-be who intuitively feel that the parenting "techniques" of the modern era are inherently misguided. It has also been helpful to many adults — parents and non-parents alike — who hope to recover the natural state of happiness lost as a result of the modern child-rearing practices of their well-meaning parents.

**The Continuum Concept - by Jean Liedloff**

The Continuum Concept overlooks the realities of many women's lives (particularly but not exclusively women) particularly those lacking in resources, or whose children have specific special needs, or those parents who need to work, or who have several children, or other family members, to care for. What role model for womanhood is this?
