## Download Ebook The Development Of Judgment And Decision Making In Children And Adolescents

A crucial step in the establishment of effective policies and regulations concerning legal decisions involving juveniles is the development of a complete understanding of the many factors—psychosocial as well as cognitive—that affect the evolution of judgment over the course of adolescence and into adulthood.

### (Im)maturity of Judgment in Adolescence: Why Adolescents ....

Consistently having good judgment involves learning to not allow emotions to direct and control decisions. Quite often, emotions indicate one path while the right choice leads down a path in the opposite direction. Being able to make the right choice regardless of feelings shows a developing ability to have good judgment.
