Even the great wizard Merlin had a childhood. Merlin begins his journey to discover who he really is and where he came from when in a fit of rage he accidentally set a fire using magic, and while trying to save someone from the fire he lost his eyesight. The book that I am reviewing is Merlin the Raging Fires by T.A. Barron. In this book Merlin must fight a dragon that threatens the magical island of Fincayra, but the dragon isn't the only thing that wants him dead.

Merlin combines the element Air with the fire of Arthur's torch. The Elements are the four most basic aspects of the natural world: Earth, Water, Air, and Fire. When manipulated by a sorcerer, the elements can be used to perform powerful magic. Generally, magic performed through the manipulation of individual elements can be counteracted with magic invoking opposing elements.
