the year's most exciting and original thriller. Charles Spencer is a fifty-five year old college professor, going on vacation with his wife and their two almost-grown children to the sunny Caribbean isle of St. Bart's. But when they land, Charles and his family find only chaos. Rumors circulate of an attack on the United States.

Read Free The Hotel Eden

Communications are down. People are panicked beyond comprehension. It is in this madness that Charles uses his intellect and articulate nature to bring the locals and tourists together, and maintain a semblance of order and society in the face of disaster. But humanity is not as civilized as Charles believes. Distrust,

Read Free The Hotel Eden

animosity, and prejudice splinter the survivors into factions who battle over supplies, technology, and control. And even as Charles confronts those who would doom them all, a greater threat is on the horizon. A threat that will force them all to fight not only for their lives?but for the future of their world.

element to balance. Daria Reina and Andrea Ferolla, sensitive and often nostalgic lovers of their home country, take readers on a tour of an Italian's Italy, off main roads and onto hidden side streets or off the grid altogether, to corners lesser known but filled to bursting with the quintessential details that define timeless

Read Free The Hotel Eden

Italian style. Ferolla's classical illustrations add another level of personality to the journey.

“[Jack London was] a great gobbler-up of the world, physically and intellectually, the kind of writer who went to a place and wrote his dreams into it, the kind of writer

Read Free The Hotel Eden

who found an Idea and spun his psyche around it.”—E.L. Doctorow
Martin Eden (1909) is a novel by American writer Jack London. The book follows the tradition of the *Künstlerroman*, a narrative that traces the life and development of an artist, to tell the story of a young man not unlike London himself. Part fiction, part

Read Free The Hotel Eden

autobiography, Martin Eden examines the consequences of dreams and achievements, successes and failures, for a young artist struggling with fame. The novel is heavily influenced by London's socialist values, and dissects the interwoven nature of class and the arts while critiquing the individualist mentality

Read Free The Hotel Eden

promoted by such figures as Nietzsche. The young Martin Eden lives in Oakland where he struggles to rise above the circumstances of his birth. Despite his impoverished background, he has hopes of becoming a successful writer, and has spent years educating himself toward that goal. A dreamer, Eden is also driven to

Read Free The Hotel Eden

marry Ruth Morse, a woman he loves despite their vastly different lives—he is a sailor, she comes from a bourgeois family. It soon becomes clear that his intentions to write and to marry are entirely intertwined. When he finds success, however, breaking through with publishers and with the elite literati of Oakland, he

Read Free The Hotel Eden

finds that Ruth's love is far from guaranteed, and that dreams rarely come to fruition. Martin Eden is a story of the American ideal, of class and identity, and of one man determined to make it, whatever the cost. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack London's
