As a manager who wants to attain, maintain, or reclaim a competitive position in the hotly contested and ever-changing marketplace, your goal is clear. Terrified of being the "hunted" -- in peril of being destroyed or devoured by your competitors you want to know how to once again become a "hunter." But the myriad improvement strategies that sound great in theory don't always work in practice, and they don't take into account the realities of your workplace. Through an unusual and

"At the start of World War One the Imperial German Navy had a large number of surface warships deployed around the world. These posed a considerable threat to British mercantile interests, particularly the import of food and fuel supplies. Their elimination was a matter of urgency. This book covers the major actions and includes the following: The escape of the Goeben and Breslau to Turkey, where they became units of the Turkish Navy serving in the Black and Aegean Seas.
