Warning: The plays of "Political Stages" do not make for a quiet evening of theatre. These are the plays which got audiences out of their seats and sometimes out into the streets. Their words and ideas rumbled ominously down the marble hallways of legislatures and challenged even threatened and often changed the thinking of millions. These are the plays which either lit or reflected the fires of those political controversies which blazed across the American Twentieth Century. Individually each is a molotov cocktail tossed onto the stage each a political movement encapsulated in dramatic form. Combined they constitute both a conflagration and a record of American political and theatrical ideology. Never before however have they been collected in one explosive volume. In "Political Stages" they have at last been preserved ever ready to serve at the barricades of subsequent eras. Includes works by Tennessee Williams Emily Mann Clifford Odets Langston Hughes and others.

From St. Augustine and early Ethiopian philosophers to the anti-colonialist movements of Pan-Africanism and Negritude, this encyclopedia offers a comprehensive view of African thought, covering the intellectual tradition both on the continent in its entirety and throughout the African Diaspora in the Americas and in Europe. The term "African thought" has been interpreted in the broadest sense to embrace all those forms of discourse - philosophy, political thought, religion, literature, important social movements - that contribute to the formulation of a distinctive vision of the world determined by or derived from the African experience. The Encyclopedia is a large-scale work of 350 entries covering major topics involved in the development of African Thought including historical figures and important social movements, producing a collection that is an essential resource for teaching, an invaluable companion to independent research, and a solid guide for further study.

"Dream Variation," one of Langston Hughes's most celebrated poems, about the dream of a world free of discrimination and racial prejudice, is now a picture book stunningly illustrated by Daniel Miyares, the acclaimed creator of *Float*. To fling my arms wide In some place of the sun, To whirl and to dance Till the white day is done. Langston Hughes's inspiring and timeless message of pride, joy, and the dream of a better life is brilliantly and beautifully interpreted in Daniel Miyares's gorgeous artwork. Follow one African-American boy through the course of his day as the harsh reality of segregation and racial prejudice comes into vivid focus. But the boy dreams of a different life—one full of freedom, hope, and wild possibility, where he can fling his arms wide in the face of the sun. Hughes's powerful vision, brought joyously to life by Daniel Miyares, is as relevant—and necessary—today as when it was first written.

A collection of columns written by Langston Hughes between 1942 and 1962 for the "Chicago Defender," offering his views on international race relations, Jim Crow, the South, white supremacy, imperialism and fascism, segregation in the armed forces, the Soviet Union and communism, and African-American art and culture.

Tambourines to Glory, *Soul Gone Home*, *Little Ham*, *Mulatto*, and *Simply Heavenly* reflect the black author's concern with the position of the Negro in the United States

Langston Hughes, one of America's greatest writers, was an innovator of jazz poetry and a leader of the Harlem Renaissance whose poems

Download Ebook The Political Plays Of Langston Hughes

and plays resonate widely today. Accessible, personal, and inspirational, Hughes's poems portray the African American community in struggle in the context of a turbulent modern United States and a rising black freedom movement. This indispensable volume of letters between Hughes and four leftist confidants sheds vivid light on his life and politics. Letters from Langston begins in 1930 and ends shortly before his death in 1967, providing a window into a unique, self-created world where Hughes lived at ease. This distinctive volume collects the stories of Hughes and his friends in an era of uncertainty and reveals their visions of an idealized world—one without hunger, war, racism, and class oppression.

A Finalist for the 2019 Los Angeles Times Book Prize in Biography "A complete pleasure to read." —Lisa Page, Washington Post Novelist Zora Neale Hurston and poet Langston Hughes, two of America's greatest writers, first met in New York City in 1925. Drawn to each other, they helped launch a radical journal, Fire!! Later, meeting by accident in Alabama, they became close as they traveled together—Hurston interviewing African Americans for folk stories, Hughes getting his first taste of the deep South. By illuminating their lives, work, competitiveness, and ambitions, Yuval Taylor savvily details how their friendship and literary collaborations dead-ended in acrimonious accusations.

This two-volume set surveys the profound impact that political humor and satire have had on American culture and politics over the years, paying special attention to the explosion of political humor in today's wide-ranging and turbulent media environment. • Documents the history of political humor in the United States in all of its many forms, with the bulk of coverage weighted toward contemporary political satire and satirists • Covers writers, cartoonists, radio personalities, television and movie performers, and internet celebrities • Profiles influential television programs, movies, and other forms of entertainment that have made their mark on American politics and culture • Includes a chronology of events

"Explores Hughes's intellectual method and its relation to social activism. Examines his involvement with socialist movements of the 1920s and 1930s and contends that the goal of overthrowing white oppression produced a "socialist joy" expressed repeatedly in his later work, in spite of the anticommunist crusades of the cold war"--Provided by publisher.
