They couldn't even be certain that he ...

Think of a Number (Dave Gurney Series #1) - B&N Readouts

David Blaine asks his spectators to think of a number and then appears to read their thoughts. He names just the number they are thinking of. While this is a really amazing effect, it has little to do with mind reading. Instead, Blaine relies completely on statistic. When asked to think of a number from 1 to 10, for example, most people will select 7.
