Classico Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Being a great teacher is more than lesson plans and seating charts. In Mostly About Me, Rudolph H. Weingartner gives a detailed and thoughtful account of a varied life that took him from pre-Hitler Heidelberg to Pittsburgh, Pennsylvania, via many intervening stops. He became an American during his adolescence in New York and while serving on an LST in the U.S. Navy. He then tells of his studies at Columbia and of the stumbling that finally led to an academic career in philosophy. It began with a job at Mortimer Adler's curious research institute in San Francisco and continued with a few years on the Columbia faculty. In 1959, he returned west to teach for nine years at San Francisco State. In 1968, he fled from there to a somewhat calmer Vassar, after S.F. State was overtaken by turmoil. After Vassar, Weingartner made a shift to academic administration. Here is an extensive account of what was involved in being successful as dean at Northwestern, followed by the story of the author's frustrating stint as provost of the University of Pittsburgh. Weingartner's private life gets virtually equal attention in this book. He talks about his parents, his brother, and about his two children. He tells the story of a marriage of forty-two years and of its sad end; he relates how he recovered, thanks to a second marriage. In addition to family members, a large cast of characters of friends, colleagues, and acquaintances make their appearance in this book. Among broader topics, the author takes up his relationship to his Jewish religion and gives an account of the many manifestations of his interest in music and art. Mostly About Me offers glimpses into the different worlds in which its author has played a role. But it also affords an insight into the person who has lived so varied a life and has here reflected on it.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Presents one hundred term paper topics regarding American Indian history, from their relationships with early explorers to American legal disputes and battles, and modern civil rights activities.

The Committee on House Administration is pleased to present this revised book on our United States Government. This publication continues to be a popular introductory guide for American citizens and those of other countries who seek a greater understanding of our heritage of democracy. The question-and-answer format covers a broad range of topics dealing with the legislative, executive, and judicial branches of our Government as well as the electoral process and the role of political parties.--Foreword.

Updated with the latest information on the current administration, a guide to United States government information on the Web includes material on the Department of Homeland Security, the Patriot Act, and the E-Government Act of 2002.

Trying to comprehend the US government can almost make your mind shut down. You need to understand how it stacks up to governments around the world (from democracy to dictatorship), how systems and laws change over time (years ago, women couldn't vote!), and who holds the power today (how do big decisions get made?). How can all these laws and ideas make more sense? Infographics! The charts, maps, and illustrations in this book tell a visual story to help you better understand key concepts about our country's government. Crack open this book to explore mind-boggling questions such as: • Why was the first government created? • How does a system of checks and balances work? • Where does all that tax money go? The answers will help make you a model citizen!
