Managing and Using Information Systems: A Strategic Approach, Sixth Edition, conveys the insights and knowledge MBA students need to become knowledgeable and active participants in information systems decisions. This text is written to help managers begin to form a point of view of how information systems will help, hinder, and create opportunities for their organizations. It is intended to provide a solid foundation of basic concepts relevant to using and managing information.

For introductory courses in Management Information Systems Processes, Systems, and Information: An Introduction to MIS, Second Edition provides a concise introduction to MIS

File Type PDF Using Mis 5th Edition

with a hands-on approach to business processes. Authored by Earl H. McKinney, Jr. and David M. Kroenke, the text shows you exactly how businesses use information systems and technology to accomplish their goals, objectives, and competitive strategy. Packed with examples of business situations, both real and fictitious, the book helps you understand what business systems actually are—and see why they are so important. The text consists of the five SAP-focused chapters from McKinney and Kroenke's *Processes, Systems, and Information: An Introduction to MIS*. A pair of appendices after chapters four and five contains SAP process exercises that enable you to get hands-on experience applying what you're learning in the course. This clear emphasis on business

File Type PDF Using Mis 5th Edition

processes, and SAP in particular, makes Processes, Systems, and Information: An Introduction to MIS, Second Edition the ideal text for courses attended by those not majoring in MIS. Teaching and Learning Experience This program presents a better teaching and learning experience—for you. Benefit from question-based pedagogy : Each chapter provides a list of questions to ensure that you have attained learning objectives. Receive a clear learning path: Chapter-opening vignettes, SAP tutorial exercises, and active reviews guide you through the text's key concepts. Become engaged with group exercises: Group exercises help you understand key concepts while allowing you to think critically as you are involved in discussions and activities. Keep content current: Help

keep your students up to date with the most recent events.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab(tm) or Mastering(tm), several versions may exist for each title--including customized versions for individual schools--and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For
