Seven tribes, one continent. Too much crowd, at least that is what majority thinks. Fortunately, Dragonets are there to try to fix the situation. “Wings of Fire” takes the advantage of the fact that dragons are a relatively unexplored area.

Wings of Fire (Series) Book 7 Tui T. Sutherland Author Shannon McManus Narrator (2017)

Winter has been a disappointment to his royal IceWing family, unlike his sister Icicle, who has been raised to challenge IceWing queen--but now that Icicle has broken the truce and escaped from Jade Mountain Academy, so Winter, accompanied by his new clawmates, Moon, Qibli, and Kinkajou, embarks on his own quest to free his brother from the clutches of Queen Scarlet, and win the respect of his family.

Large Print◆s increased font size and wider line spacing maximizes reading legibility, and has been proven to advance comprehension, improve fluency, reduce eye fatigue, and boost engagement in young readers of all abilities, especially struggling, reluctant, and striving readers.

Qibli knows Darkstalker must be stopped. And he knows he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?

The New York Times and USA Today bestselling series soars to even greater heights with a new prophecy and five new dragonets ready to claim their destiny! Daring mission... or deadly mistake? Winter has been a disappointment to his royal IceWing family his whole life. When his sister, Icicle, runs away from Jade Mountain Academy, fleeing terrible crimes and possibly planning to commit more, Winter knows that they both need a second chance to make things right -- if only he can find her. Winter's new clawmates, Moon, Qibli, and Kinkajou, won't let him make this dangerous journey alone. They don't seem to understand that IceWings, the most superior of all dragon tribes, can fix their own problems. When their search leads the dragonets straight into Queen Scarlet's vicious talons, Winter is grateful to have some help. But even the bravest dragons can't follow him to the Ice Kingdom, where he'll have to face the greatest threat of all: his own family.

The first story arc in the #1 New York Times bestselling epic series is now available as an ebook collection! A war has been raging between the dragon tribes of Pyrrhia for years. According to a prophecy, five dragonets will end the bloodshed and choose a new queen. But not every dragonet wants a destiny. And when Clay, Tsunami, Glory, Starflight, and Sunny discover the truth about their unusual, secret upbringing, they might choose freedom over fate -- and find a way to save their world in their own way. Includes: Wings of Fire #1: The Dragonet Prophecy Wings of Fire #2: The Lost Heir Wings of Fire #3: The Hidden Kingdom Wings of Fire #4: The Dark Secret Wings of Fire #5: The Brightest Night

The Lost Continent, initially published as a serial in 1899, remains one of the enduring classics of the “lost race” genre. In it we follow Deucalion, a warrior-priest on the lost continent of Atlantis, as he tries to battle the influence of an egotistical upstart empress. Featuring magic, intrigue, mythical monsters, and fearsome combat on both land and sea, the story is nothing if not a swashbuckling adventure. The Lost Continent was very influential on pulp fiction of the subsequent decades, and echoes of its style can be found in the work of Edgar Rice Burroughs, Robert E. Howard, and others. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Clay has lived his whole life under the mountain. The MudWing dragonet knows war is raging between the dragon tribes in the world outside - a war that he and four other dragonets are destined to end, according to the mysterious prophecy they have been taught. The five "chosen" dragonets were stolen from their homes while they were still in their eggs - and hidden away for years - all to fulfill the prophecy. But not every dragonet wants a destiny. And when danger threatens one of their own, Clay and his friends may choose freedom over fate ... leave the mountain ... and set the dragon world on a course that no one could have predicted.
