Winner of the 2012 Man Booker Prize
Winner of the 2012 Costa Book of the Year Award
The sequel to Hilary Mantel's 2009 Man Booker Prize winner and New York Times bestseller, Wolf Hall delves into the heart of Tudor history with the downfall of Anne Boleyn
Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her powerful family will not yield without a ferocious struggle. Hilary Mantel's Bring Up the Bodies follows the dramatic trial of the queen and her suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head?
Bring Up the Bodies is one of The New York Times' 10 Best Books of 2012, one of Publishers Weekly's Top 10 Best Books of 2012 and one of The Washington Post's 10 Best Books of 2012

In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power
England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

"Hilary Mantel's novels are the most formidable literary achievements of recent times, both recipients of the Man Booker Prize. Adapted by Mike Poulton, the plays were premiered by the Royal Shakespeare Company at the Swan Theatre, Stratford-upon-Avon, in December 2013, directed by Jeremy Herrin. – This edition contains a substantial set of notes by Hilary Mantel on each of the principal characters, offering a unique insight into the plays and an invaluable resource to any reader looking for an even deeper understanding of Mantel's historical creations – A North American production is expected in 2015. – Taken together Wolf Hall and Bring Up the Bodies have sold more than 3 million copies and have been translated into 36 languages"--

Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway, Wolf Hall and Bring Up the Bodies bring history to life for a whole new audience
having now been adapted into a six-part television series by the BBC and PBS Masterpiece. Hilary Mantel's Thomas Cromwell novels are the most formidable literary achievements of recent times. Wolf Hall begins in England in 1527. England is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. Into this impasse steps Thomas Cromwell: a wholly original man, a charmer and a bully, both idealist and opportunist, master of deadly intrigue, and implacable in his ambition. Bring Up the Bodies unlocks the darkly glittering court of Henry VIII, where Thomas Cromwell is now chief minister. Henry is disenchanted with Anne Boleyn and has fixed his eye on the demure Jane Seymour. Anne has failed to give England an heir and rumors of her infidelity creep through the court. Over a few terrifying weeks, to dislodge her from her throne, Cromwell ensnares Anne in a web of conspiracy—acting to save his life, serve his king and secure his position. But from the bloody theater of the queen's final days, no one will emerge unscathed.

The brilliant #1 New York Times bestseller
Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more
With The Mirror & the Light, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith's son from Putney emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The inevitable question remains: how long can anyone survive under Henry's cruel and capricious gaze? Eagerly awaited and eight years in the making, The Mirror & the Light completes Cromwell's journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and defined his age.

Assuming the power recently lost by the disgraced Cardinal Wolsey, Thomas Cromwell counsels a mercurial Henry VIII on the latter's efforts to marry Anne Boleyn against the wishes of Rome and many of his people, a successful endeavor that comes with a dangerous price. By the Hawthornden Prize-winning author of Eight Months on Ghazzah Street. 40,000 first printing.

"One of the greatest achievements of modern literature."--Man Booker Prize Committee
Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway, Wolf Hall and Bring Up the Bodies bring history to life for a whole new audience
having now been adapted into a six-part television series by the BBC and PBS Masterpiece. Bring Up the Bodies unlocks the darkly glittering court of Henry VIII, where Thomas Cromwell is now chief minister. Henry is disenchanted with Anne Boleyn and has fixed his eye on the demure Jane Seymour. Anne has failed to give England an heir and rumors of her infidelity creep through the court. Over a few terrifying weeks, to dislodge her from her throne, Cromwell ensnares Anne in a web of conspiracy—acting to save his life, serve his king and secure his position. But from the bloody theater of the queen's final days, no one will emerge unscathed.

MIKE POULTON'S TWO-PART STAGE ADAPTATION OF HILARY MANTEL'S ACCLAIMED NOVELS WOLF HALL AND BRING UP THE BODIES
Hilary Mantel's Thomas Cromwell novels are the most formidable literary achievements of recent times, both recipients of the Man Booker Prize. Adapted by Mike Poulton, the plays were premiered by the Royal Shakespeare Company at the Swan Theatre, Stratford-upon-Avon, in December 2013, directed by Jeremy Herrin. This edition contains a substantial set of notes by Hilary Mantel on each of the principal characters, offering a unique insight into the plays and an invaluable resource to any theater companies wishing to stage them. Wolf Hall begins in England in 1527. Henry has been King for almost twenty years and is desperate for a male heir; but Cardinal Wolsey cannot deliver the divorce he craves. Yet for a man with the right talents, this crisis could be an opportunity. Thomas Cromwell is a commoner who has risen in Wolsey's household—and he will stop at nothing to secure the King's desires and advance his own ambitions. In Bring Up the Bodies, the volatile Anne Boleyn is now Queen, her career seemingly entwined with that of Cromwell. But when the King begins to fall in love with plain Jane Seymour, the ever-pragmatic Cromwell must negotiate within an increasingly perilous Court to satisfy Henry, defend the nation, and above all, to secure his own rise in the world.

A two-ebook edition of Hilary Mantel's bestselling novels: Wolf Hall, winner of the Man Booker Prize 2009, and Bring Up the Bodies, winner of the Man Booker Prize 2012. Wolf Hall and Bring Up the Bodies, the first two instalments in Hilary Mantel's Tudor trilogy, have gathered readers and praise in equal and enormous measure. They have been credited with elevating historical fiction to new heights and animating a period of history many thought too well known to be made fresh. Through the eyes and ears of Thomas Cromwell, the books' narrative prism, we are shown Tudor England, the court of King Henry VIII. Cromwell is a wholly original man: the son of a brutal blacksmith, a political genius, a briber, a charmer, a bully, a man with a delicate and deadly expertise in manipulating people and events. In Wolf Hall we witness Cromwell's rise, beginning as clerk to Cardinal Wolsey, Henry's chief advisor, charged with securing the divorce the pope refuses to grant. He is soon to become his successor. By 1535, when the action of Bring Up the Bodies begins, Cromwell is Chief Minister to Henry, his fortunes having risen with those of Anne Boleyn, Henry's second wife. Anne's days, though, are marked. Cromwell watches as the king falls in love with silent, plain Jane Seymour, sensing what Henry's affection will mean for his queen, for England, and for himself.

In this book, "the opulant, brutal world of the Tudors comes to glittering, bloody life. It is the backdrop to the rise and rise of Thomas Cromwell: lowborn boy, charmer, bully, master of deadly intrigue, and, finally, most powerful of all Henry VIII's courtiers."--Page 4 of cover.
